get an Eveready DAYLO

*DAYLO is not merely the new name for our product but a mark by which the public will hereafter distinguish between the ordinary "flasher" or "flashlight" and the highest development of the portable electric light.

when a leak in the water or gas pipe must be fixed quickly

when you lose a key, a coin or a ring in the dark

when the watch dog barks his alarm

when all the lights in the house go out

when the wrong medicine bottle may mean a tragedy

whenever you need light—indoors or out—that cannot cause fire or blow out—you need an Eveready DAYLO*.
