## Standard IDEAL Ware

As a sanitary product---perfect.

As an artistic product---ideal.

☐ Standard IDEAL ware enables you to furnish your bath room with the fullest regard for the artistic. In point of design and symmetry Standard IDEAL Ware reflects the care and skill that goes into their designing.

☐ Standard IDEAL Ware is a very high grade product of Cast Iron Porcelain Enamelled Ware—a scientific combination of chemical and mechanical skill. It is non-absorbent and absolutely impervious to moisture, and will not chip, or craze, or crack. It presents a snow white surface that successfully and permanently withstands the efforts of disease germs or dirt to lodge within it.

☐ Standard IDEAL Ware is not costly, but in quality is unchallenged. It is a permanent and satisfactory possession, constantly on guard over your health.

☐ We will send you—free on request—the handsomest publication ever issued in Canada on the subject of bath room fittings. It is a valuable book to own. Write for "*Artistic Sanitation in the Home.*"
