

“Signs of the Times”

ONE MILLION National Cash Registers

sold to shrewd merchants in all parts of the world have blazed the way of progress in retail merchandizing methods. They have conquered these merchants' greatest enemies: Mistakes, carelessness, forgetfulness, dishonesty, lack of system.

Are YOU Tied Down by Out-of-Date Methods?

You can't hope to run an up-to-date store by out-of-date methods. To be successful you must do as successful merchants do—put a receipt in every parcel. Just think! One million merchants have demonstrated that a National Cash Register stops mistakes, stops losses, prevents disputes, removes temptation, increases trade, increases profits. Why not investigate THEIR methods?
