Indian Office.

Toronto. 28 May. 1841

Sir

With reference to the
Order in Council of the 18 June 1840 made
in consequence of a communication
from me dated the 5th of the same
month, I respectfully beg leave to
make the following remarks.

When I addressed that
communication to Mr Harrison then
private Secretary to His Excellency the
Lieut. Governor, I was under the
impression that the value which
the Government would place on
the lands offered to them by me on
behalf of the Indians would be the
highest price that could be obtained

The Honble B. B. Sullivan
