

098169

The Honourable Arthur Meighen, C.P.

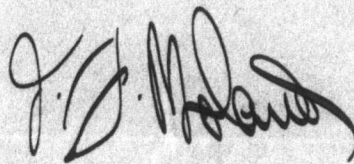

May 15th, 1933.

Page.Two.

of a conviction for the offence.

The reply which you made to Senator Pandarand clearly indicates the extent of the study which the Senator gave to the amendment and his appreciation of its meaning and extent. This matter is of too much importance and the objections are too trivial for a gentleman of your legal attainments to admit error and defeat in connection therewith.

Yours faithfully,

JFB:LT

President.
