Rev. Hon. Arthur Meighen, Q.C., P.C.,

Dear Arthur: I see by the daily press that this is your eighty-fifth birthday anniversary. May I step from out the hoary past to extend to you my congratulations and very best wishes. I have been spending a few days around the old place celebrating the 60th anniversary of my graduation from Trinity; the exact date was June 9, 1899. One of my classmates whom you would well remember was Tommy Russell; another is Sam Dickson, whom I was not able to lure down from Edmonton. Also in Edmonton, find a couple of blocks behind me, lives your nephew, also an Arthur Meighen, and his wife Molly. (My Edmonton address is 7425 Parkatchewan Drive). This afternoon I am going out to Salt
