- Retina, tuberculosis of, 448
Rheumatism, tubercular, 411
Rontgen rays in diagnosis, 73
— —, treatment by, 259, 301, 357,
377, 498
- SALINE injections for hæmoptysis, 160
Salivary glands, tuberculosis of, 358
Salt baths, 481, 500
— springs inhalations, 137
Sanatoriums for adult cases of pul-
monary tuberculosis, 171-177
— for tubercular children, 498
Schools and tuberculosis, 507
Sclerotic, tuberculosis of, 441
Scrofula, 473-483
Scrofuloderma, 360
Scrofulo-tuberculosis, 474
Sea climates, 145
— voyages, 146
Sero-pneumothorax, 226
Serum prognosis of pulmonary tuber-
culosis, 99
Sex and tuberculosis, 93
Sexual organs, tuberculosis of, 305-
334
Skin, alterations of, in tuberculosis,
35, 44, 394
—, tuberculosis of, 304-389
Sleeplessness, treatment of, 162
Social conditions and tuberculosis, 97
Soft soap inunctions, 501
Specific treatment of pulmonary
tuberculosis, 116-122
Spinal cord, tuberculosis of, 422
Spleen, tuberculosis of, 360
Spondylitis, tubercular, 397, 497, 503
—, ankylotica, 412
Sputum, 23, 60, 246
—, examination of, 60-69
—, concomitant bacteria, 21, 24, 65
—, albumin reaction of, 66
—, lymphocytic contents, 70
—, prognostic importance of, 95
—, treatment of, 155
—, hygiene of, 187
—, stimulation of, 67
— flasks and napkins, 187
Stadia of pulmonary tuberculosis, 88
Staining methods in examination of
the sputum, 61
State, the, and tuberculosis, 189
Statistics of tuberculosis, 186
Stomach cough, 33
—, alterations of, in pulmonary
tuberculosis, 33, 163, 264
