

Mr. B. S. SHORT of Brockville, Ont., said he had seen many remarkable cures of Rheumatism made by Dr. Dow's STURGEON OIL LINIMENT. The most wonderful was that of a neighbour who had suffered from Rheumatism for fifteen years, and after using the LINIMENT got well. To it, after God, he ascribes his wonderful recovery.

Mr. A. E. HOOD's case was equally remarkable. Mr. Hood lives in Salmon River, N.B. He suffered from Rheumatism for years, and most of the time the pain was excruciating. Nothing did him any good, although hardly a remedy was left untried. When it came to the turn of Dr. Dow's STURGEON OIL LINIMENT it cured him very quickly. He is of opinion that no earthly reward is high enough to recompense Dr. Dow for the inestimable benefit to the public in his STURGEON OIL LINIMENT.

Mr. I. T. CLOUETTE, No. 742 Manchester Street, New Haven, U.S., had suffered for months from Rheumatism and Sciatica in his leg, which made it impossible for him to walk. But having seen in a newspaper that Dr. Dow's STURGEON OIL LINIMENT had no equal in performing wonderful cures, he thought it must be possible to be cured by it, and ordered two bottles by express. He used it in accordance with the directions, and found with great pleasure that one bottle was all that was necessary to effect a cure.

C. M. BURROWS, of Alma, N.S., during the winter of 1878 suffered from Rheumatism, and more severely, he says, than he can indicate. With every change of weather his pains were excruciating; a friend brought him a bottle of the STURGEON OIL LINIMENT, and insisted on his using it. He did so, and now is as well as ever he was.

Mr. D. W. REEVES, of Churchville, N.S., has had one of the most remarkable experiences of Rheumatism on record, and his recovery is almost without a parallel. For no less than fifteen years he had been afflicted with Chronic Rheumatism, and at times was unable to raise out of his chair without assistance. His limbs were stiff and joints swollen, and relief outside of the grave seemed impossible. But at last it was forthcoming in the shape of Dr.

Dow's STURGEON OIL LINIMENT, in which it has come to many. After using three bottles of it he was as well as any person, and now can walk as well as ever he could.

Springfield, N.B., Dec. 19, 1876.

Having tested the virtues of your STURGEON OIL LINIMENT in the cure of a most obstinate disease, I feel impelled to relate the particulars of my case for the benefit of persons similarly afflicted. The disease was at first acute or inflammatory, but became at last a most obstinate chronic complaint, defying all attempts at cure. During the whole of four years I was in more or less pain continually, and was confined to my room, or obliged to hobble on crutches at least six months in the year. After using one bottle of your LINIMENT I experienced great relief, both as regards pain and the use of my limbs. After using the second bottle I could walk out and attend to business. I feel it a duty and pleasure to send you the above few facts.

W. O. STEVENSON.

Grand River, N.B., Feb. 14, 1882.

I never expected to be able to write such a letter as this, to say that I am clear of Rheumatism. I hardly knew what to make of it, after suffering excruciating pain for years. At every coming storm my whole body and joints were in the greatest possible torment man could bear, and somehow or other it always appeared to me as if nobody pitied a man with the Rheumatism. However, thanks to you, I now ask no man's pity on that score. I can do as good a day's work as I ever could. I used but two bottles of your STURGEON OIL LINIMENT, and now feel like another person.

W. H. BLACKMAN.

Salmon River, N.B., Dec. 5, 1876.

Your STURGEON OIL LINIMENT cured me of Rheumatism of four years' standing. I suffered with severe pains during a great part of the time. No other remedies could cure, or even do me any good. But your Liniment has, and my health is entirely re-established. That I should be sincerely grateful to you is natural enough, and I am; and that you will be rewarded is the sincere wish of

A. E. HOOD.
