

OUR HANDBOOK NO. 5.

The Postage Stamps of the United States.

HANDSOMELY ILLUSTRATED.

THE WORK OF THE YEAR.

This Book is  
Invaluable to you.

Now ready for  
delivery.

No-  
thing has  
been needed so  
badly by American  
Philatelists as an illus-  
trated Catalogue of United  
States Stamps. Such difficulty  
experienced by amateur collectors in  
placing stamps in the proper position in  
their album. This book will entirely do away  
with this difficulty, and we believe that the majority  
of the many thousands of United States specialists will  
give us their order. The book embraces the Government  
Locals, the postage stamps of the general issue up to 1893, all  
the Postage due, Department, and Carrier Stamps. Every type of  
United States Postage Stamps is illustrated by a half tone cut of the best  
workmanship. The preparation of these cuts in Canada cost nearly  
our times the amount cuts cost in the United States. It there-  
fore must be quite apparent that the preparation of this work  
has involved a large outlay. The paper and general  
get-up of the book is the best. The different  
sizes of Grilles are illustrated. The real  
market value, and all other information  
regarding the said Stamps is also  
given. Owing to the in-  
creased cost of prepara-  
tion, we have been  
obliged to set  
the price, at  
50c, post  
paid.

Only 2,000 copies  
were issued.
