

DE LAVAL BUTTER

Best as usual
at the great 1914
National Dairy Show

BUTTER made from cream separated by De Laval Separators made the usual clean sweep of all highest awards at the great National Dairy Show held in Chicago in October, 1914, as it has always done at every convention of the National Buttermakers' Association or a Dairy Show since the beginning of these important annual contests in 1892.

The Sweepstakes and Gold Medal awards in the various classes were as follows:

Whole Milk Creamery Butter

The highest award in the Whole Milk Creamery Butter Class was made to Thomas Sadler, of Oelwein, Iowa, upon butter made with a De Laval Power or Factory Separator—score, 96½.

Gathered Cream Creamery Butter

The highest award in the important Gathered Cream Creamery Butter Class was made to the United Dairy Co., of

The reasons for the superiority of the De Laval on the farm and in the creamery, will be made plain by a De Laval catalogue, which will be mailed upon request.

DE LAVAL DAIRY SUPPLY CO., Limited
MONTREAL PETERBORO WINNIPEG VANCOUVER
50,000 Branches and Local Agencies the World Over

Chicago, which uses both De Laval Separators and Milk Clarifiers, the prize-winning butter being made from cream gathered mainly from farm users of De Laval Hand Separators—score, 96¼.

Farm Dairy Butter

The highest award in the Farm Dairy or Home-Made Butter Class was made to Austin C. Higgins, of Andover, Mass., who happily is not only a De Laval user but a De Laval Local Agent—score, 96.

De Laval Superiority Indisputable

Aside from the Sweepstakes and Gold Medal awards in all classes, the great majority of all other awards and higher scores were likewise given to De Laval users, again overwhelmingly demonstrating the superiority of De Laval Dairy products, as at every important quality contest the world over for more than thirty years.

"MADE IN CANADA"

Is it three hours to town in a buckboard—
or thirty minutes in a sturdy Ford?

More than seventeen thousand Canadian farmers drive Fords because they make the necessary trips to town during the busy season in the shortest possible time—at the smallest possible expense—and they don't eat when they aren't working.

Ford Touring Car \$590 Ford Runabout \$540. Ford Coupelet \$850. Ford Sedan \$1150. Ford Town Car \$840.
(All cars sold fully equipped f. o. b. Ford, Ont.)
Buyers of these practical cars will share in profits, if we sell 30,000 new Ford cars between August 1, 1914 and August 1, 1915.

The Richest Man in the World

The man whose fortune kings might envy, says: "As soon as you have saved even fifty dollars, invest it! Make your money work for you!" This is sound advice.

But how can a man who does not make a study of financial problems know that he is choosing a proposition that is at once REMUNERATIVE and SECURE? We reply:

Take an Endowment Policy with us, and thereby share in the prosperity of THE MUTUAL OF CANADA. Its endowments combine household protection with a perfectly safe and satisfactory investment.

Papec Pneumatic Ensilage Cutters

"The Wonderful Papec"

Elevate silage to any height at 600 to 800 R.P.M. with one fifth less power than any other blower cutter. This is due to the fact that the Papec first uses centrifugal force, then with its six fans moving the cut silage in a steady stream—not in bunches—the elevating is accomplished under high pressure through a small pipe. Iron and galvanized construction; easy to operate. Built in sizes for any power from 4 H.P. up. Investigate the Papec now—and save time, annoyance and money at cutting time. Write today for our new illustrated catalog. It is FREE.
