

# SUBSCRIBERS!

Every year the usefulness of The Farmer's Advocate and Home Magazine is increased by the co-operation of its subscribers in sending in the names of NEW SUBSCRIBERS.

More new subscriptions are received in this way than from any other source during each year, and The Farmer's Advocate is proud of this fact, and greatly appreciates the interest and assistance of its subscribers.

## THE FARMER'S ADVOCATE AND HOME MAGAZINE

Is strongly against the strong-arm methods employed by some publications in securing subscribers, and desires to have only readers who are actual farmers, and who will be benefited by subscribing to The Farmer's Advocate.

Regular canvassers are rarely employed by The Farmer's Advocate, so that many Canadian farmers have never been given the opportunity to subscribe and become readers of the paper.

Regular subscribers to The Farmer's Advocate will be doing their neighbors a service by telling them about THE FARMER'S ADVOCATE AND HOME MAGAZINE, and sending in their names with the sum of \$1.50 to cover their first year's subscription.

### SIX MONTHS' FREE SUBSCRIPTION

Will be given to any subscriber who sends in the name of a new yearly subscriber, with \$1.50, the amount of the first year's subscription.

### TWELVE MONTHS' FREE SUBSCRIPTION

Will be given to any subscriber who sends in the names of two new yearly subscribers, with the sum of \$3.00, covering their first year's subscription.

The Farmer's Advocate makes this a standing offer until further notice is given.
