We have had so many recommendations of CROWN JEWEL AXE it has been difficult to decide, but we have awarded the \$5.00 offered to A. E. Fletcher, Mulmur, Ont., who writes: "I have used a Crown Jewel for nearly two months and have found it very satisfactory in all kinds of chopping, especially in hard work, such as hemlock knots. It would wade in with no fracture of any description as a result, and holds an edge the best of any axe I ever used."
