

SOMETHING THAT WILL INTEREST EVERY FARMER

FIG. 52

BEATTY BROS. & FERGUS CANADA

No stable is complete without a system of overhead tracking in it for handling manure and feed. There is no work about the farm that is so dirty and disagreeable as cleaning out stables, and a litter carrier is no longer a luxury, but an absolute necessity.

The "BT" LITTER CARRIER always pleases, and is built to last a lifetime. It is simple in construction—nothing to get out of order, and the material used in it is the very best.

The "BT" LITTER CARRIER has many excellent features of advantage over other makes, which we would like to tell you about. Our new litter-carrier catalogue has just arrived from the printers, and we will mail you a copy of same on request.

One day a Bishop chanced into the shop of a druggist who was very fond of a joke—on somebody else. The druggist, wishing to have a joke at the Bishop's expense, asked:

"Bishop, can you tell me the difference between an ass and a bishop?"

The Bishop could not.

"Well," said the druggist, smiling all over, "an ass carries its cross (burden) upon its back, but a bishop carries his cross (of gold) on his breast."

"Very good," replied the Bishop, and then continued: "Now, then, my friend, can you tell the difference between an ass and a druggist?"

After some hesitation the druggist answered: "No, sir, I can't."

"Neither can I!" retorted the Bishop, as he walked out.
