Does Advertising Pay?

An interesting answer to this question is found in a letter from a publisher of a book of prayers. He spent \$56.00 advertising his book of prayers in a list of religious publications, running a one inch advertisement only two times. The orders came in in large quantity, and before the advertising had spent itself he was able to report that while orders were still coming in, he had already sold over 1,700 books of prayers.

This fact shows that the church paper is closely read by some very good people, who have great confidence in its advertising columns, as well as in its reading columns.
