Labatt's Ale.
 A bright, sparkling India Pale Ale made from tested natural spring water, selected barley malt, and a blend of the choicest growth of hops.
 It is wholesome, and will not cause distress to any of the organs of the body. Taken with food it is an aid to digestion, and a cause of comfort after meals. Taken an hour before meals it stimulates the appetite, and prevents constipation. Taken by nervous people at night it acts as a very effective and harmless hypnotic.
 Taken at any time it will be found palatable and pleasant without any disagreeable after-effects.
 It is undoubtedly better for the convalescent than patent medicines or tonics, of which no one knows the composition.
 Ask your Physician about it.
