

# We Send this Book Free On Request—Use the Coupon

**Y**OU only need to look at the contents, page of this book to see how complete and comprehensive it is. In all the

hundred pages between its hard, cloth-bound covers, there is not one single superfluous word—nothing but a carefully indexed mass of necessary information. There is no other book in existence that deals so thoroughly with every vital, essential fact—that so clearly tells the farmer

## “How to Build Rural Telephone Lines”

When you get this book, read it over at least twice. You will need to do that to assimilate the information it contains. No matter in what phase of the work you are interested—whether you want to know about telephone company organization, whether you want to know about the actual construction of the line,

whether you want to know what other community-owned telephone companies have done, or whatever it is you do want to know, you will find the facts set forth in detail in this book. This volume has cost a lot of money and careful study to prepare and we really ought to charge for it. As long as the edition lasts, however, we will send it **free**, but only to those who, by asking for it, signify that they are really interested. Are **you** interested?

If so, clip the coupon, fill in your name and address and mail it to us today.
