Details of Naval Scheme BOGUS BARON to be Left to Department

in the House This Afternoon

Borden Steering for a General Criticism--Bigger Ideas

gence from the Commons of Hon. Mr. Brodeur through serious illness Sir Wilfrid Laurier will introduce the naval defence bill in the House to-morrow afterneon. Hon. Mr. Brodeur s been in charge of the preparation all details of the bill, and his illness the present juncture is thus doubly unfortunate, and may possibly delay for a time detailed consideration of

nd reading some days hence. Opmembers are apparently still hey will take, and will probably hold in at first from definitely committing uselves on the issue pending furonsideration as to just what ild be the best political move under

It is understood the bill itself will ude in its provisions details as main provide general terms for creation of a naval branch of the Detment of Marine with power under the Governor-General in council to create a Canadian navy as a branch of and to act in co-operation with the imperial navy. Details consequent upon the creation of the navy will be

now obtains in the administration of state. important changes of Govern-policy as already announced in to the scope of initial construction on programme of three chaisers and fion programme of three civisers and four destroyers to be constructed if at all possible in Canada is expected to be announced by Sir Wilfrid. The general outline of the policy as agreed upon by the Government on the return of Canadian representatives to the Imperial defence conference last summer, and as already indicated by your correspondent will be adhered to and in this the Government will have nd in this the Government will have

the unanimous support of all Liberal members of the House.
On the other hand it is practically certain that several divergent policies will be adverted from the Opposition side. Mr. F. D. Monk will, it is said. stick to his attitude of demanding a ate from the electors before the country is committed to any naval theme. Others of the Opposition, especially western members, will proughts or cash equivalent to

Mr. Borden and probably the bulk of his followers seem to be heading for a policy of general criticism with amme of assistance to the naval de-nce of the empire.

Lost 16 lbs., in Weight Was Kept Down by Bilious Indiges. Dr. Hamilton's Pills Gured

n the following interesting letter is. H. R. Plunkett, well known in her me town of Hewtonville, tells how a conquered bilious indigestion: "I ink it was drinking the water on a whink it was drinking ice water on a very hot July day two years ago that satisfied an inflamed condition in my domach, which gave me such repeated and weakening attacks of biliousness and stomach trouble. So severely did suffer that my strength was impaired and I lost sixteen pounds in weight. My whole body was weakened, both kidneys and bowels failing to keep the system in natural condition. Food fer-And I lost sixteen pounds in weight.

Now whole body was weakened, both kidneys and bowels falling to keep the system in natural condition. Food fermented, skin was dry and yellow. I had flushes of heat, and prickling sensations in various parts of the body. In the winter I had cold feet and clammy hands, and not until I commenced to take Dr. Hamilton's Pills did I obtain relief. In a short time Dr. Hamilton's Pills cured the billous dyspepsia, and not a month. I gained almost four wharf he salled with the ship. At wharf he salled with the ship. mented, skin was dry and yellow. I had flushes of heat, and prickling sensations in various parts of the body. In the wither I had cold feet and clammy hands, and not until I commenced to take Dr. Hamilton's Pills did I obtain relief. In a short time Dr. Hamilton's Pills cured the billous dyspepsia, and in a month I gained almost four pounds. The pain over the liver disappeared, the bowels acted regularly, and I kept on improving so rapidly that ip three months I was vigorous that in three months I was vigorous and well. I recommend Dr. Hamilton's Pills to every one in poor health."

To receive the same benefit as Mrs. Plunkett, commence Dr. Hamilton's Pills to-day, 25c. per box. All dealers, or The Catarrhozone Co., Kingston,

Remarkable Story From Hungary

Mrs. Wildman Detained on Trumped Up Charge-Submits to Indignities

NEW YORK, Jan. 11.—Thrown into day by repeatedly swinging over the a Hungarian jall after a humiliating grandstand and daringly manoeuvring 807 East Ninth Street will lay before others returning from America to visit their native land. Mrs. Wildman arrived here some weeks ago, and since that time has been ill at her home. She has set forth her complaint in an affidavit made before Eugene Vene-soca, Commissioner of Immigration of Belgium, and it is on his advice that the affair will be brought to the attention of the Washington officials. Mrs. Wildman went abroad at the begining of last year to visit her mother, Mrs. Hermine Eszaer, 210 Nagy Berezna, Ung. Megye., Hungary. She left there intending to sail for home on

27. from Antwerp. On the train she met a young wo Giza Weinberg, who travelled in the same compartment. This girl, Mrs. Wildman ays, had with her her serrice book and said that she was on her way to Vienna to look for a place

"When the train arrived at Bruck on Leitha," said Mrs. Wildman, "to my great surprise a frontier policeman appeared and began to question me. bound. I showed him papers showing
I was the wife of an American citizen In spite of this he arrested me and forced me to leave the train.

"Then I was told the charge agains me. The police accuse me of intendforce her to come to America with me. Both were ridiculous. I knew nothing of the girl, and she showed the police that besides her service book she had in her possession only a few kronen. The girl came to my rescue. She told the police that I had no interest in her and that I had made no proposal to her to give up her trip to Vienna or to come with me to America. "I was subjected to a most humiliating search. I had to take off my clothing, and even my hair and the eams of my dress were examined to

see whether I had anything concealed. After that the police made me pay 20 cents, to the woman who had searched

about \$11. My treatment was very bad. I was forced to occupy a small and exceedingly cold room and to sleep on a wooden bench. I appealed to the authorities to be allowed either to communicate with the American Consul or write to my mother. My request was "I was given no food, and I had to

live on the dry food I brought from home with me. Fortunately I had five days I was shut away from the forced to stay five days in jail and pay world I could only obtain two cups of coffee, and these were brought after a great deal of pleading. I was kept ocked up from Nov. 22 to Nov. 27 at

Gets New Speed Mark for Carrying Passengers

Outshines Paulhan on Second Day of Aviation Meet

Thirty Thousand People See Flight of Four Airships

LOS ANGELES, Cal., Jan. 11 .- Glenn esterday was eclipsed by Louis Paulan's spectacualr feats on the first day of the aviation meet, today defeated his French rival for the honors

of today.
Paulhan again won the plaudits of the immense throng with daring and spectacular flights, while the less theatrical American reaped more substantial honors. Curtiss established a new world's record for speed for aeroplanes carrying a passenger, flying at the rate of 55 miles an hour with his manager, M. Fancuilli beside him and he set two other less important records.

Not to be outdone, Paulhan took up

one of his mechanicians and flew three miles, but failed to equal the speed set by Curtiss in his bi-plane. The flights of four aeroplanes in the air at the same time breasting a stiff wind that sported dangerously with the delicate craft, furnished thirty thousand spectators at Aviation Field

an exciting finale to an afternoon that promised to be rather tame. The first serious accident of the meet occurred today, when Edgar Smith, a Californian, who built an aeroplane similar to Langley's, while turning up his machine for his attempt at flight, AFFAIR TO BE PROBED of the propeller. His head was severely gashed and his left arm was

At the beginning of today's programme Paulhan seemed again have monopolized all the honors of the day. Thrice he drove one of his big Farman bi-planes around the course in the stiff wind blowing in from the sea. Then in a tiny Bleriot aeroplane that looked like a gigantic horsefly, he gave the throng the first thrill of the in a wind that threatened every mo-

The flight of Paulhan in his obtain justice, not only for herself, but mere pigmies beside the great Farman wind. Yet after an abortive by Miscarol, one of the French aviators, Paulhan sped twice around the field in it. Although he never rose higher than fifteen feet. Summary:
Glenn H. Curtiss, in a Curtiss by plane, established a world's record for

the world's record for time consumed in getting into the air, by ascending in
