Rossland Weekly Miner.

Published Every Thursday by the ROSSLAND MINER PRINTING & PUBLISHI LIMITED LIABILITY.

LONDON OFFICE.

C. J WALEER, 24 Coleman Street London. TORONTO OFFICE: CENTRAL PRESS AGENCY, LD., 83 Younge St. SPOKANE OFFICE:

ALEXANDER & Co., Advertising Agents, BASTERN AGENT: EMANUEL KATZ, 230 Temple Court, New York

THE SUBSCRIPTION PRICE of the WEELL ROSSLAND MINER for all points, in the Unite Rates and Canada is Two and one-half Dollars ROSSLAND MINER for all points in the United States and Canada is Two and one-half Dollars a year or One Dollar and fifty cents for six months or all other countries Three and one-half Dol-lars a year—invariably in advance.

THE REASON FOR IT.

We observe that the republican counexeputors took strong grown in progress best that has so far been devised, and shares; two more for 25,000 each, and All animal creation was placed on Canadian government, but the enteragainst the Kettle Valley Lines. until something better is forthcoming several other orders running from 1000 the earth for a purpose—the good book prise and courage that put through the the proceedings. "Is not the lack of in- Sir Edmund Barton's words will, no received and executed within the past "ducks" to some to shoot ducks, but general faith in it may suffice for this. terest in Republic due to a large extent doubt, bear much good fruit. to the enmity and hostility shown to capital by this county as reflected by the democratic administration now in power?" says the Republic paper. "Peopel of Republic have in some instances story flashed across the wires yesterday condemned the Kettle Valley Lines and morning from Victoria, to the effect some of its methods, but no one has that a small expedition had left Atlin ever felt anything but the kindliest on June 27 to discover and photograph feelings for the capitalists who put the small block stone building and favor of certain individua's of the de- formation that would lead to the dis-Ferry county might be redeemed before Uncle Sam would give a big lump sum been shot three times. The men who that the disciple of Isaak Walton could

Ferry county, or which Republic is the county seat, was a willing tool playing stone monuments at divers places fornia, and at one time an aspirant of the province. The cause for this is county seat, was a wining tool playing into the hands of Morris. That there was marking the boundary line between for a seat in the United States senate no secret. The Kootenay River has so much in recent years to the upinto the hands of Morris. That there was a consideration for so doing no one with doubt. Ferry county politically is demoout in each case to be hot air. We are
cratic. The officials elected by that party a thimble full of brains can have any cratic. The officials elected by that party have already landed the finances and language and language from Kentucky ket. No doubt they are greatly to point: "With exceeding great cause, ford to blow off no small amount of member of congress from Kentucky ket. No doubt they are greatly to business of the county into the "slough of despond." The mines are not shipping ore as was expected with the adwent of the railway. Capitalists, with money to invest, are steering clear of Republic, and will so long as present methods prevail. If at the election this fall Morris, Jesseph and their ilk are turned down there may be some hope for the Republic district, but at present the body politic is weighted down with incompetency and corruption. A change must come to insure success in the fu-

AN INTERESTING STATEMENT.

In another column will be found th full text of an interview granted by T. G. Blackstock, vice-president of the War Eagle and Centre Star Mining Co., to the Toronto Globe. In our issue of thankful that President Roosevelt was enough to leave the back door open, Sunday appeared a short dispatch respared in the accident which happened although it was generally understood butchery and should be condemned, lative to the same question, but the near Pittsfield, Massachusetts, last that any article could be suppressed whole interview is of an extremely in- Wednesday. That the president, Gov- for a consideration.
