The many friends of C. R. Northrop, Esq., are happy to learn that he is recovering from his recent severe illness and that he is now able to be around. A gentleman of such sterling integrity and uprightness we can ill afford to lose. We have long looked to him for sound counsel and advice and for many years he has occupied a foremost position in this village. We congratulate him upon his recovery.

Our genial friend, W. H. Fellows, is still unable to be at his accustomed work. He has been confined to his home for some weeks owing to an attack of rheumatism. We all miss him. He is ever ready to greet us with a pleasant smile and a good word.

Last Sabbath morning Rev. E. M. Saunders, D. D., occupied the platform of the Canada Baptist church and preached a very impressive discourse from Acts chap. IX, verse 6. He divided his sermon into two parts: God's sovereignty, and Man's accountability. He was attentively listened to by all.

Captain John Nicholson has returned home. All sympathize with him in the loss of the sch. *Parus*, a vessel he has been master of for some time. During a period of 34 years as commander this is the first serious accident he has met with. We hope he will soon command another vessel; no better master sails out of this port.

We are still very quiet as regards politics although the Liberals hold weekly meetings. Both parties feel that the Temperance people have made a great mistake in the way they are going about to bring out Temperance candidates. The proper place to make their influence felt is in Party Conventions. The day, we think is far distant when they can select men outside of the support of the respective parties.

The Scott Act people put in an appearance here this week evidently bent on mischief to the detriment of the subject; but the latter persons having been forewarned the mission of the Temperance people resulted in a failure, otherwise it is quite likely certain parties would have been fined for violation of the Scott Act.

Another meeting of dike owners interested in building the Old Nelson dike across Canning river was held last Saturday and steps were taken looking towards the speedy commencement of the work.

Have these gentlemen carefully taken legal counsel as to their right to close up a navigable river without proper legal permission?

Read THE FOLLOWING TESTIMONIALS.

Weymouth, Sept. 14, 1885.

Dr. Norton: Dear Sir,—For twenty-five years I have been afflicted with Salt Rheum, and last Summer my head and part of my body was one fearful sore. My husband employed at different times three doctors, which failed to do me any good. In August 1884 I commenced taking your Dr. O. W. Norton's Burdock Blood Purifier, and after taking three bottles, an entirely cured, as I have not the least symptoms of it since. The Burdock Purifier has also cured my brother of Dyspepsia and Liver Complaint.

Yours truly, Mrs. John Grant

ARTHUR BLACKBURN, of Newport written: "For five years I have been afflicted with two Erysipelas Fever Sores on my legs. Have consulted all the doctors far and near. All medicine failed to do me any good until last fall I commenced to take Dr. O. W. Norton's Burdock Blood Purifier. After taking seven bottles my sores are entirely healed up and I am as well as ever."

"February 9th, 1886."

There is no medicine known to the medical fraternity that has cured so many of Liver, Kidney Blood and Nerve Diseases as the medicine, that composes Norton's Burdock Blood Purifier.
