WOMEN OF MIDDLE AGE

Need Help to Pass the Crisis Safely—Proof that Lydia E. Pinkham's Vegetable Compound Can be Relied Upon.

Urbana, Ill.—"During Change of Life, in addition to its annoying symptoms, I had an attack of grippe which lasted all winter and left me in a weakened condition. I felt at times that I would never be well again. I read of Lydia E. Pinkham's Vegetable Compound and what it did for women passing through the Change of Life, so I told my doctor I would try it. I soon began to gain in strength and the annoying symptoms a disappearance. I cannot recommend Lydia E. Pinkham's Vegetable Compound too highly to women passing through the Change of Life."

—Mrs. FRANK H. HUNTER, 1316 S. Orchard St., Urbana, Ill.

Women who suffer from nervousness, "heat flashes," backache, headaches and "the blues" should try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound.

IT REALLY DOES

end pain, prevent festering and heal. This is why those who have once used Zam-Buk will never use any other ointment.

Miss Viola Hubley, of Upper Goshen, N.B., writes: "My sister had sores on her foot that commenced like boils and then discharged. She suffered such intense pain that she could not wear her shoes and had to remain in the house. We commenced using Zam-Buk and the pain soon disappeared. Then the sores stopped discharging and before long the places were entirely healed over. We shall never be without Zam-Buk again."

For eczema, blood-poisoning and piles, cuts and burns Zam-Buk is equally good. All dealers, 50c box.

Only a GOOD White Lead can hold World Supremacy for 200 Years

TWO hundred years ago when the sign-painter was an artist of every high standing—the best white lead for any kind of painting was Brandram's Genuine B.B. Today, the most fastidious painters still choose this world-famous white lead for their most particular work.

Brandram's Genuine B.B. White Lead

The reason is not far to see. Most white leads are produced by one process of corrosion—such as the so-called "Old Dutch" process, "Chamber" process, or some more or less mechanical process. But Brandram's Genuine B.B. White Lead is a combination of different processes. Thus, particles of different shapes and sizes are merged so as to form a product of wonderful smoothness, capacity and covering power.

Measured in terms of cost per hundred pounds, Brandram's Genuine B.B. White Lead is the most expensive lead on the Canadian market. But, considered from the standpoint of covering capacity and length of service, it easily outclasses all other white leads, and proves the most economical in the end.

"Save the surface and you save all."

FREQUENT HEADACHES

A Sure Sign That the Blood is Watery and Impure

People with thin blood are much more subject to headaches than full-blooded persons, and the form of anaemia that afflicts growing girls is almost always accompanied by headaches, together with disturbance of the digestive organs.

Whenever you have constant or recurring headaches and pallor of the face, they show that the blood is thin and your efforts should be directed toward building up your blood. A fair treatment with Dr. Williams' Pink Pills will do this effectively, and the rich red blood made by these pills will remove the headaches.

More disturbances to the health are caused by their blood than most people have any idea of. When your blood is impoverished, the nerves suffer from lack of nourishment, and you may be troubled with insomnia, neuritis, neuralgia or sciatica. Muscles subject to strain and under-nourished and you may have muscular rheumatism or lumbago. If your blood is thin and you begin to show symptoms of any of these disorders, try building up the blood with Dr. Williams' Pink Pills, and as the blood is restored to its normal condition, every symptom of the trouble will disappear. There are more people who owe their present state of good health to Dr. Williams' Pink Pills than to any other medicine, and most of them do not hesitate to say so.

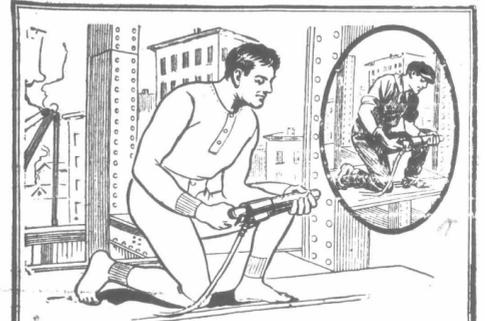

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The boys are home again—Make them glad they're back

THEY'RE home again—victorious. And how thankful and happy you are. Of course they're glad to be home. But still—sometimes it must seem a little dull. How to keep them entertained; how to make the home so attractive that it will hold them;—that's your problem. And the answer:—

The New Edison

They can play the Re-Creations of the songs they sang in the service—the songs that will always mean so much to boys in khaki and in blue.

Show the boys what their return means to you. Give them some concrete evidence. See our display of New Edisons. With the exception of but two models: each New Edison is now encased in an authentic period-cabines of exquisite beauty.
