

DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Canifton, Ont.—"I had been a great sufferer for five years. One doctor told me it was ulcers of the uterus, and another told me it was a fibroid tumor. No one knows what I suffered. I would always be worse at certain periods, and never was regular, and the bearing-down pains were terrible. I was very ill in bed, and the doctor told me I would have to have an operation, and that I might die during the operation. I wrote to my sister about it and she advised me to take Lydia E. Pinkham's Vegetable Compound. Through personal experience I have found it the best medicine in the world for female troubles, for it has cured me, and I did not have to have the operation after all. The Compound also helped me while passing through Change of Life."—Mrs. LUTHER BLAIR, Canifton, Ontario.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female illness, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to suffering women.

CAMPBELLTON'S BUILDING

Permits For Building Issued Showing a Value Of \$200,000.

The following figures, taken from the Building Inspector's Records, may give us a fair idea of the progress made in rebuilding the town. Although the contractors have for various reasons not been so much overwhelmed with work as they expected, still the buildings are going on, the spirit of energy displayed since last July being well maintained.

From April 20th to May 31st there were issued 85 permits. For the month of May alone there were issued 57 permits. In April the value of the 28 permits issued was \$31,190 and for May \$168,700 a full total for the month and a half of \$199,890.

It may be noted in passing that of these permits only 4 were for brick and concrete construction. One part of the Inspector's report does not make such good reading as unfortunately, applications for permits were refused showing a building value of \$30,500. These figures are taken from April 20th this being the date that the present Building Inspector took over the duties.—Graphic

PRIVY COUNCIL SUSTAINS APPEAL

The Judicial Committee of the Privy Council has upset the judgement of an Ontario Court which awarded damages to a man who was injured while riding without authority on a railway train. The Privy Council held that while a railway by its sale of a ticket contracted to safely carry the holder, it had no contract with a man who had no ticket, and was in fact a trespasser, who might have been prosecuted for his act.

The case in point happened on a train which was backing from one station at London, Ontario to another in a different part of the City and on which a trespasser jumped on the rear platform to steal a ride between the two stations. There was a collision and the man was seriously injured, resulting in a suit against one of the railways. The Trial Judge and Jury acquitted the railway. The Higher Court reversed this judgement and the railway appealed. The Court of Appeals in Ontario sustained the Higher Court, after which it was taken to the Privy Council, and the Lords of the Judicial Committee reversed all the judgement but the Trial Judge. The defendant had to pay the costs in all the appeals.

Occasionally it pays a railway to fight a damage claim. It may get the case before a Court which gets at the sense of the situation.

Good racing characterized the events at Bathurst Park, on May 24th. In the Free-for-all, two veterans scored down for the word Daybreak getting the opening heat. Zad up behind Gug, got busy and won the next two heats and the race, with Daybreak right on his wheel, time 1:13. 1.13. 1.13. The three minute class, five lined up for the word. Nell Parkside a speedy dark chestnut pacer made the rail birds sit up and look, she won the race with such ease. After the first heat in this class a complaint was made, that "Little Sam" was putted and that he had a fast mark. The owner bring summoned to the stand, clearly proved that he was not a "ringer" the Judges allowed him to compete in the race. NATIONAL DRUG TO SELL 3700 SHARES MORE

"The annual meeting of the shareholder of the National Drug & Chemical Co. was held recently. The financial statement for the last business year was the best so far presented to the shareholders. The most interesting reports were from the Na-Dru-Co and proprietary departments of the business. The former was established only eighteen months ago, and the manner in which the drug trade and the general public have supported the products of this department has decided the directors to spend large sums of money in still further advertising this important line of medicinal and toilet preparations.

In order to continue the development of this department, and to keep pace with the progress of the country by the opening of new branches, especially in the West, the directors have decided to dispose of 3,700 shares of the 7 per cent cumulative preference stock of the company at par. A large proportion of these shares have been taken up by the directors."

CAMPBELLTON

The Island Farmer says:—Ronald Campbell returned last night from a short visit to Campbellton, N. B. His last previous visit was shortly after the fire when a few rude shacks and heaps of debris marked the site of the town. He was amazed at the transformation that has since taken place. Viewed from a distance the town looks complete, renewed and greatly improved, a much finer and more regularly laid off town than the old. Business is booming and the people are very optimistic as to the future. While there is still much to be done, it is being done systematically and rapidly and very soon the new Campbellton will be a much more beautiful city than that over which tears were shed less than a year ago.

Lady Londonderry and Dowager Lady Dufferin are leading in securing signatures to an address of welcome to be presented to Queen Mary in the name of the women of Ireland when she reaches Dublin July 8 after coronation.
