

A Woman's Problem

How to Feel Well During Middle Life Told by Three Women Who Learned from Experience.

The Change of Life is a most critical period of a woman's existence, and neglect of health at this time invites disease and pain. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Read these letters:—

Philadelphia, Pa.—"I started the Change of Life five years ago. I always had a headache and backache with bearing down pains and I would have heat flashes very bad at times with dizzy spells and nervous feelings. After taking Lydia E. Pinkham's Vegetable Compound I feel like a new person and am in better health and no more troubled with the aches and pains I had before I took your wonderful remedy. I recommend it to my friends for I cannot praise it enough."—Mrs. MARGARET GRASSMAN, 739 N. Ringgold St., Philadelphia, Pa.

Beverly, Mass.—"I took Lydia E. Pinkham's Vegetable Compound, for nervousness and dyspepsia, when I was going through the Change of Life. I found it very helpful and I have always spoken of it to other women who suffer as I did and have had them try it and they also have received good results from it."—Mrs. GEORGE A. DENBAR, 17 Roundy St., Beverly, Mass.

Eric, Pa.—"I was in poor health when the Change of Life started with me and I took Lydia E. Pinkham's Vegetable Compound, or I think I should not have got over it as easy as I did. Even now if I do not feel good I take the Compound and it restores me in a short time. I will praise your remedies to every woman for it may help them as it has me."—Mrs. E. KISSLING, 931 East 24th St., Erie, Pa.

No other medicine has been so successful in relieving woman's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E. Pinkham Medicine Co., Lynn, Mass. Such letters are received and answered by women only and held in strict confidence.

TO MY TRUEST OF PAIS "MY MOTHER,"

May the Lord watch forever between me and thee,

When we are absent one from the other;

Are the words that I send with heartful of love

To the best of dear pais "My Mother."

For King, Queen and Country we're fighting

Honor and Right is our watchword true

The "Might" at first seemed to hold the sway

Thought shall conquer the Red, White and Blue

TWO LONG YEARS HE SUFFERED

"Fruit-a-tives" Made Him Feel As If Walking On Air

ORILLIA, Ont., Nov. 28th. 1914.

"For over two years, I was troubled with Constipation, Drowsiness, Lack of Appetite and Headaches. One day I saw your sign which read 'Fruit-a-tives make you feel like walking on air.' This appealed to me, so I decided to try a box. In a very short time, I began to feel better, and now I feel fine. I have a good appetite, and now I feel fine. I eat, and the headaches are gone entirely. I recommend this pleasant fruit medicine to all my friends."

"Was something since that I left my loved home. To answer old England's cry. The parting was hard, and tho' she tried to be brave, There was a tear in my dear mother's eye."

"God bless you," said she, "God bless her, said I For of mothers no man had a better And while I'm in camp, or when I had to go to the front She knows I shall never forget her. So cheer up dear Mother, my truest of pais Tho' at parting your heart may feel sore We will all look forward with hearts full of hope, and I'll be home To true happiness when peace comes once more."

TO MY BEST CHUM—MY FATHER Dear Old Dad, when Old England called, On me to come up with the boys; I thought of you, and my dear old home And the scenes of my childhood days

It's up to me to go out and help. The other brave chaps at the front Never let it be said I was one that jibbed While others bore the brunt.

When "Ours" go where this picture tells And I hope that won't be long, We'll get the Huns well on the run To the tune of our marching song. Memories of home and my dear ones

Are ever with me night and day. My boyhood days I shall never forget While in England or over the way.

BEAVER FLOUR

MILLED OF BLENDED WHEAT

"Beaver" Flour is just as good for Pastry as for Bread. It is the product of Ontario winter wheat, blended with western spring wheat to increase the strength. "Beaver" Flour has the best qualities of both kinds of wheat—the whiteness, lightness, delicate flavour and perfect Pastry making qualities of Ontario winter wheat—coupled with the extra strength of western spring wheat. Being scientifically blended in exact proportions, the blended wheats are always the same in strength and quality—and so is the flour.

If you have never tried a blended flour, you cannot imagine what a difference there is between "Beaver" Flour and the usual western spring wheat flours. Get a sack of "Beaver" Flour at your dealer's, and try it for yourself.

BAKE MORE QUICKLY AND USE LESS FUEL

A new heating principle with numerous distinctly new features. In all old style Ranges heat cannot go into the Oven until the fire burns up well enough to allow the dampers to be closed. In the High Oven Range the Oven is heated with the very first kindling because it is in the direct path of the flames so it becomes ready for baking very quickly and requires less fuel to finish baking. Heat in this range travels the natural way UP no forcing down of the heat and smoke.
