LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny little of Frezone costs but a few cents at any drug store. Apply a few drops on the corn, calluses and "hard skin" on bottom of feet, then lift them off. When Frezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

"His Majesty has issued a proclamation appointing Sunday, the 6th day of July a general thanksgiving day for the blessing of peace and it is his desire that this day shall be observed not only in the United Kingdom, but in all quarters of the Empire.

"The King has also given his sanction to a peace celebration in the United Kingdom on Saturday July 19th, and the hope is expressed that all parts of the Empire will join as far as possible in celebrating peace on that day."

Girls Lemon Juice Is A Skin Whitener

How to make a creamy beauty lotion for a few cents

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of ordinary cold creams. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

It Helps Others Will Help Me

With This Belief Many Thousands Have Learned the Exceptional Value of Dr. Chase's Nerve Food.

You hear people talking about Dr. Chase's Nerve Food. You read about it in the newspapers. You wonder if it would benefit you. And while you are hesitating others are using it to great advantage.

This treatment for the restoration of the blood and nerves is so different to most medicines that you may not realize why you can be so certain of benefit from its use.

In order to maintain the vigor of the nervous system an abundance of pure, rich blood is necessary. When the nervous system becomes exhausted and you are easily tired and suffer from headaches, sleeplessness, irritability or indigestion, it is because the blood is failing to supply proper nutrition to the nervous system.

By forming new, rich blood, Dr. Chase's Nerve Food naturally and certainly restores the vigor of the nerves. Since it works hand-in-hand with nature, it cannot fail to be of benefit, and there is no reason why it will not help you just as it has the writer of this letter.

Mrs. Stephen G. Thwaites, Box 285, Jordan, Ont., writes: "For about a year I was troubled with nervousness, and took doctors' medicine, but it did not seem to relieve me. I could not sleep nor content myself to do anything. I had severe headaches, was tired all the time, and afraid to stay alone. I also tried several nerve medicines until almost discouraged. At last I discovered Dr. Chase's Nerve Food, and found relief in this. I had only taken one box when I began to feel better. I continued using this treatment until my nerves were restored to perfect health. I think the Nerve Food splendid for nervous troubles of any kind, and cannot recommend it too highly."

(Rev. S. S. Coffman, Vineland, Ont., states: "This is to certify that I know Mrs. Thwaites, and her statements are correct.")

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for \$2.75, at all dealers, or Edman-son, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

Try BEAVER FLOUR Both Ways

Make up a batch of Bread and Rolls with it. Then bake a Pie and Cake.

Notice the fine, even texture—the absence of holes—the delicate, nutlike flavor, of the Bread.

Then consider the lightness and flakiness of the Pastry. You'll never go back to the coarse, almost tasteless western wheat flours, after once enjoying the flavor of the good things made with Beaver Flour.
