LOCAL NEWS

THE SALVATION ARMY .- On Tuesday next the soldiers, accompanied by their band will hold a revival meeting at the mouth of as applied to farm work; Thomas A. the Tay in the Lodge hall. Lieuts. Heisler, Peters, Hampton, on Silos and Ensilage; and Jost will be the principal speakers.

THE AULD KIRK. - Prof. Duff was well received in St. John on the occasion of his recent lecture in that city. Dr. McRae will pay a return visit here on Monday, and will lecture in the auld kirk on "Scottish humor."

A Suggestion.-It has been suggested Leicester, and Shropshire breeds. After an that trap be hauled from Currey's moun- interesting discussion by Messrs Trueman, tain in order that the stone may be used for J. H. Reed, W. J. Owens, Hubbard, Lugrin, road purposes, and that a recommendation and Peters, the debate was adjourned until Rev. Mr. Payson officiated, and much feelto that effect will be urged on the city the next day. On Wednesday the resolution council.

AN ICE BOAT. - Visitors crossing the river | in aid of farming associations was read and | by the bridge on Tuesday were surprised to placed on file. see an ice boat slowly sailing along in the direction of Nashwaaksis. The boat was selves into an nominating committee as a Thursday morning. Thomas Sinclair, who built and manned by four men of the In- whole, and Dr. Steeves took the chair pro fantry school.

UNIVERSITY CONCERT. - A concert will be and duly elected : given by the students of the University, asby local talent, at an early date next month. A capital program is being organized, and the proceeds will be in aid of the piano fund.

THE LOST RECOVERED. - A young lady, of this city recently lost an elegant watch and chain. The trinkets were found by Andrew McConaghy and delivered into the hands of serjeant Vandine, who promptly returned them to the fair owner.

FROZEN UP .- The severe frost of Thursday evening caused the pipes to burst in Jewett's mill at the gulley, and the mill was obliged to shut down for two days. This is to be regretted as the proprietor has many orders ahead, and business is rushing.

ABOUND THE ISLANDS. - A visitor from Keswick reported on Tuesday that the ice in the course of his remarks gave some inwas all broken up in the vicinity of the islands, and that everything betokened an early season for a rich grass crop. It has of creameries, and butter factories in the since become dangerous for teams crossing the river.

VANDALISM .- Several of the city schools | pared favorably with western Ontario prohave recently been broken into by persons ducts. Its fineness of texture was the unknown and damage to a considerable exference. tent done to property. The trustees have placed the matter in the hands of the police. and a sharp look out will be kept on the ments connected with beet root refineries, schools in future.

THE BATTLE FOR HOME. - This popular beets grown here had been proved to be lecture delivered on Sunday last at the city | equal to the French article. hall by John A. Nicholls, was well attended. The Rev. Fred. C. Hartley presided, and of Napan, stating that he was unable to be judge Steadman was present on the platform. present.

FARMERS IN SESSION.

Recent Deaths

The Provincial Association Hold Their Annual Meeting-Business Done.

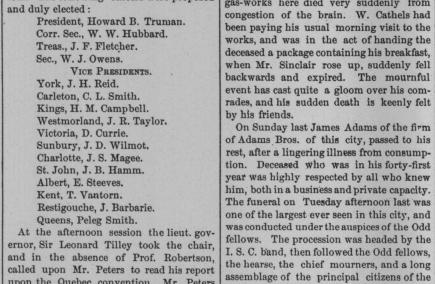

> The fifteenth annual session of the prohad many friends in this city. incial farmers' association was held in the ouncil chamber on Tuesday, Julius L. Me., a few days ago is recorded by an ex-Inches, president, in the chair.

A BARREL CHASE.

On Sunday Elijah Estabrooks an old and respected resident of Nashwaak died at An Adventure on the Ice - an Up River the advanced age of 75 years. Deceased was Incident.

well known at Marysville and vicinity, and An amusing adventure befell an up river farmer a few days ago, while crossing the John Butler, whose death at Brocton ice from the Keswick side with a team. The farmer had loaded his sled with a miscellaneous collection of articles, the most conspicuous being a barrel containing clothes, and patient sufferer from heart trouble, and in an idle moment the farmer deposited his pocket book containing a snug sum of money Information was received in this city on in the barrel, before preparing to cross the river. The ice was treacherous, and two feet of water on the track made progress slow. All of a sudden the sled gave a lurch, away went the barrel and began to roll forward to a large opening in the ice.' The farmer thought of his money, dashed in pursuit, but unfortunately stepped his right foot in a crevice in the ice where he remained fast. Meanwhile the barrel rolled slowly over into the gap, went splash into the water, and floated serenely round and round. The NEW ADVERTISEMENTS shouts of the farmer soon brought his friends to the rescue. Judge of their surprise when they were implored in tones of anguish to save the barrel and not to mind him. They hesitated, but a second appeal
