BE . H. JACKSON

(Written for the S. H. Review.)

Thou art gone from lowly earth To the realm of joys separasi. Hollowed at thy primal birth, Age bath amplified thy worth, Thou hast won the crown eternal Peaceful, blissful be thy rest, Leo, on thy Master's breast.

Shepherd of the Christian fold, Heart of thise was loving, tender Purer than the purest gold, mpathetic, fearless, bold, Truth's apostle, faith's defender. Peaceful, blissful be thy rest, Loo, on thy Master's breast.

Thou hast lived that men might live, Friend and guide to poor and lowly, Prayerful, meek, contemplative. Countless blessings didst thou give, O thy death sublime and holy! Peaceful, blissful be thy rest, Loo, on thy Master's breast.

Ay, thy deeds will live for aye, When earth's thrones decay and cru

Millions o'er thee weep and pray, Millions yet will bless thy day, Pontiff mighty, prescient, humble Peaceful, blissful be thy rest, Leo, on thy Master's breast.

Smile serene disarming sin, Bearing heaven's benediction Mirroring the soul within; Seeking tepid souls to win; From this wayward world's affliction Peaceful, blissful be thy rest, Loo, on thy Master's breast.

To the flock without the pale Thou wast ever father, brother; Error thou didst oft assail Firmly, that the truth prevail, As a watchful, tender mother Peaceful, blissful be thy rost, Leo, on thy Master's breast,

St. Louis Fair.

Work has begun by the Johnson largest clock in the world, which and very careful consideration. will prove one of the most interesting features of the Louisiana Purchase Exposition. This mammoth the range of almost every influence clock will be an engineering master that is expected for good. The bed 120 feet in diameter,

fact long, and the ring at the end, it is not greater, for drinking habite which will be fastened to the ma-chinery will be eight feet in diam-ongst women in modern days. But ater, large enough to support twelves it is in men that this cause of manmen easily. A hundred persons tal ruin is most frequent. Possibly might promenade on this hand without interfering with the movements have more opportunities of going to of the timepiece. The minute hand ruin than have their female relatives. will move five feet every minute.

The flower bed will be a masterpiece of the florists act. The entire dial crosse. It is true that there is a fine to the florists act. will be a flower bed, and the numer small percentage of lunsoy due to als marking the various boars will business troubles, but those on also be fifteen feet in length, and made of bright colored colour, a foliage plant with bright follows length and they do not eat or sleep with bright colored leaves that grow dense and may be pruned and kept symmetrical without danger of impairing its growth. In a broad circle, surrounding the dial, will be is to have the youth, oven in tender to be a proper of total shallow. twelve flower beds, one opposite peace, take a pledge of total abetin-each other, each two feet wide and once; add to that prayer for God's fifteen feet long. These collections will represent various flowers, but each will be so selected that the blossom is open at the particular hour it represents, and at no other In this way both the hands of the bis antobiography that, when on a clock and the flowers will tell the visit to Hatfield House, Lady Salietime of day. At night the whole bury drove him in her sledge over wast timepiece will be illuminated

with 2,000 incandescent lights. known to the watchmaker's art, will direct the movements of the mammoth timepiece without, and by means of compressed air the delicate movement of its hand will be transmitted to the gigantic hands of the flower clock. Its accuracy is thus absolute. This is the first time such a delicate mechanism has been adversely and over her grave was placed a creat alter tomb, with a luge mass. justed to move such a large time-

The old man had been turned out of his large and commodious residence by the American soldiers, who had until lately occupied the town into the air, so that the very base of the tomb is high up now, one with the tree or trees, so are they welded to make every effect to effect a physical servers of the same way, her twisted to never the same way, her twisted the strong iron relie like packthread. reporthe people. it a cloud out of which only death can ever rescue it. And then how and the spectacle of man reduced to racillating between the dignity of a

intellect is in the keeping of God, and He, in a moment, can fling over the level of unintelligent beings, mind derived from God and the degradation of passions participated with the brutes. In going over that report it has dawned upon us that there is surely a possibility of ouross of that fearful malady can be

In 1859, in England, only one in 536 of the people could be classed as lunatio; in 1903 the proportion is His ne in every 293 of the population. ing with the causes, we learn that inimperance accounts for 23 per cent. mongst males, and 9 per cent, mongst females. Herodity acants for 25 per cent, amongst nales, and for 19 per cent. amongst

We need not trouble ourselves with the other causes, as these two tre the principal. Herodity is thereee the greater of the two; and how is that to be ebecked? The problem o one that well deserves careful indy. In the first place there is usiderable of a safeguard for Catholies in the fact that the rules of the Church are very strict concerning ments and their duties towards their children in matters regarding arriage. But the world is not all Catholic, and all Catholic parents are not exact in the fulfilment of their duties in this connection. There should be a system of some kind established, which, while carefully avoiding any infringement upon the liberty and rights of citine, might help to ourtail the cum-The Floral Clock at the ber of marriages between people nown to have insanity, or a strain of it, in their families

"If this tree," Mr. Hare moraffine "were abroad, it would become th most popular place of pilgrimage in the world. As it is thous it-oven across the snow a regula path was worn to it, -Ave Marie.

The Lesson of Sir John Thompson's Life.

Writing in the Ottawn Univer wlow, Mr. Justice Curran, of th Superior Court of Quebec, says:

The lesson of Sir John Thompso

life for young Catholies is that of non in the cause of truth. was a path strown with difficulties, but he never faltered. And the increase goes on. In deal-ing with the causes, we learn that is-cape, but he felt that as a Catholic he had equal rights with his fellow issue of other creeds. He had the courage of his convictions as was wideneed when he stated at the A!ing the Premierabip, in presse oring your lips or cheeks. ace of his leading supporters, searly all of whom held different religio views from himself, "I want no tolno man; was genial and kind to all, that there is no need of giving a purbut as for his faith, he not only pro- gative. Price age, fessed it but practiced it so well, and croby gave strongth to his conporarios and an example to the MINARD'S LINIMENT,

> Simplicity of Cardinal Vaughan.

The late Cardinal Vaughan was obably the handsomest and most sguished looking of the Roman lesisatical hierarchy. Just as Cardinal Manning looked the learned ascetie, so be looked a true Roman Prince of the Church. But he was most simple in his tastes and habits. Several times Roman Catholio ladies presented him with costly robes, and on one occasion they pro souted him with a carriage. But they found that he soon sold their But the other source, that of ingifts, and spont the money in charity. temperance in drink, comes within They, therefore, at last " lent" him robes and a carriage, in order to oblige him to retain them.

Honor to Lord Lovat.

Colonel Lord Lovet, C. B., D. S. The English language must be tought O., was last week the recipient of a listinguisded honor at Inverness, For it is still alive today in presence of a large gathering, the edom of that burgh was conferred on blin by the Provest. In introducing the new burgess, the Provest spoke in high terms not only of his a time of national need, but of the be. Now, notwithstanding much outexcellent way in which he fulfilled door life, they are little if any stronger his duties as a great Highland land than they were. What they need is what tones able for wedding presents ant of Inverness-shire, received the the nerves, perfects digestion, creates freedom of the burgh along with appetite, and makes sleep refreshing, Lord Lovat, and had also a very and that is Hood's Saraspatilla. Pu-cordial reception. — Glasgow Observer, July 24,

Edmund Waterton relates that at going into action, two Catholic bluesckets were serving at the same gun to which eleven hands were told off. For if mankind descended from apes, Whilst they were waiting for orders o open fire, one of them sang out to the other: "Bill, let's kneel down and say a 'Hall Mary.' We shall do our duty none the worse for it,"-"Aye, Colds, etc. sye," Bill replied, "let's do so. And admidst the jeers and scoffs of their messmates the gallant tars knelt shakes your hand, and after election down and greeted the Blessed Virgin be shakes you. with her favorite prayer, Twice du ing the action was that gun manued, and each time every soul was sent into eternity with the exception of Our Lady's two clients, who came out unscathed .- Ave. Maria.

Philippines, the Rev John A. Staunton, bas written a letter to the "Liv-ing Church" which again enforce the conviction that the Filipino wil hardly profit much by contact with American "civilizers." He thus introduces his account of a visit to a native priest :

Benito had not yet moved back, for at his age, which was more than

uctive to compare the honest inignation of this Protestant clergy-and against the maligners of the lipino with the antient forbearance of nothing to reprove in the Philips Complaint Cure, mes except the poor friers,--- Ave
