As matters now stood the American manufacturer could keep up the price on his own side of the line by sending the surplus of rough lumber to Canada to be sold at a lower rate than the Canadian goods. He urged that duty should be placed on rough.

SECURED GROUNDS.

Messrs, S. S. Short, A. F. Ewing and G. D. O'Connor of the Edmonton City Football club, and Vice-president James McKinnon, Manager A. Kemp and Capt. W. Powers of the Edmonton Lacrosse club had a conference with the directors of the baseball club last night, at which the matter of se-curing the new baseball field for matches and practices of the lacrosse and football clubs was discussed. The visitors succeeded in making excellent arrangements with the baseball magnates for the grounds. The lacrossists will have the diamond every Monday, Wednesday and Friday night, and the football team the other three nights of the week.

Both clubs will arrange, as far as possible, to have their matches on the nights allotted them for practices, and both have agreed not to have contests in the city when the league base-
