NEWS OF THE DISTRICT

KEEPHILLS.

Bulletin News Service. J. Smith has returned to his nomestead for a time. On Friday last an unfortunate occurred at Cropley's camp. the packing plant to the ill-health o Walter Joyce, one of the men felling timber, was unluckily in the way of a tree as it fell and sustained, it is believed, a broken collar bone and three fractured ribs. T. Cratting travelled all that night with him to J. Bennett, who took him right into town.

E. C. Taylor is now on his home

Bell, and E. Bennett, with A. Donnenworth, are cutting for J. Walter.
T. Draves made a short trip to summer months, when the skins are the majority being 22. Three Lioerals

moving much of the snow and giving a spell of fine weather.

Keephills, Dec. 3rd.

SION.

Bulletin News Service.
One of the most enjoyable evernings Sion has ever known was spent last Friday at the Sion Hall. The occasion was a basket social and dance, interspersed with songs and mistaments and the thing that it would hardly be possible to continue the business on the present basis and expressed a ministal music. The concert was organized by the directors of the Sion Hall Company, to pay off an installment was paid, off and as smalls balance its the good seminand. The reshies was very good and the installment was paid, off and as smalls balance its the good seminand. It is hoped this will ge covardat the cost of erecting stables, which are basily wanted.

best set in square dance. Twelve couples entered for this prize and troads, the recent convention of Local was awarded to the set called the "Riviere Qui Barre set," but as there were the couples of the set of resolutions, most of which the couples are set, but as there were the couples from British of the set of resolutions, most of which

Music, dancing and cards were indulged in and kept up a constant round of enjoyment the whole night so that at one tired till the morning was well advanced. The party did not breakt up till about five o'clots in the morning.

The people in the settlement joined heartily together determined to make the social a great success, and they were all well rewarded for their ble for it was a grand

Mrs. A. Buckle gave two splendid recitations. The Misses Penelton also gave recitations, while Master and Miss Schultz gave some fine renderings on the mouth organ. The match, the feature of the evening, was won by Josephburg by a narrow majority. The entertainment was finished by a supper and everybody went home having thoroughly enjoywent home having thoroughly enjoy-

Mr. King then university to the Presbyterian church moved the adjournment of the de-

> tion and what little Canada had done the only wonder was that Canada had province to deal with matters of edu-made so much progress. He would have considered that the resolution noved by Mr. Guthrie would have been but a lame and impotent conlusion to such a speech as had been nade by the minister of labor, but the minister, instead of accepting even it as a conclusion had labored to show that there was a constitutiona difficulty. Mr. Borden did not think that any such difficulty existed. If the minister of labor was correct the constitution had been already violated by the starting of a military school at Kingston by the Dominion government. The government had in the past spent millions of money or things which came under the juris Deposits diction of the provinces. All local work and undertakings except those which connected the provinces, properly came under the control of the How could a grant of money in aid of the proposal differ from a grant from a local undertaking.
