WHEN ON THE JOB

Doing repair work of all kinds, whether Boat, Schooner, Wharf or House: Remember, no job will be complete unless SOLIGNUM is used. It adds years to the life of all woodwork and can be used to advantage on all kinds of jobs. It has great covering capacity, and is much cheaper than paint.

As a matter of fact, SOLIGNUM is the first and last word in Wood Preservatives. We keep all shades in stock.

CRISCO!

Everyone should give the article a trial.

It is used in cooking wherever lard or butter is used.

Crisco is a purely vegetable compound and contains no animal fats whatever.

Dip out a spoonful and look at it. You will like its very appearance, for it is a pure cream white, with a fresh pleasant aroma.

Put up in attractive airtight 1½ lb. tins, with a book of recipes on top of each tin.

Buy a tin to-day.

The New Humphrey

Intensified Incandescent Gas Lamp.

Using Ordinary Gas Pressure.

The excellent results obtained with the above lamp are worthy the consideration of all business men who desire to obtain the most light at the least cost.

A good example of this system of lighting may now be seen at the West End premises of the Hon. George Knowling, where the new lamps have recently been installed.

We invite comparison, and will be glad of the opportunity to prove the merits of the "Humphrey" Lamp, which we will instal free of charge on trial.

ST. JOHN'S GAS LIGHT COMPANY.

Special Announcement!

SEASON 1912—1913.

We are making extensive preparations for the approaching "Gift" Season, and have already received from the most noted manufacturers a large and brilliant selection of Silver Novelties, eminently suitable for Christmas and New Year Gifts. These goods will be on view in our windows within the next few weeks, and will completely eclipse any display of Silverware previously shown in St. John's.

[This selection of seasonable presents is very large, the workmanship of many of them is exquisite, and all are in perfect taste. We have made a specialty this year of studying the requirements of our many customers, and feel assured of their entire approval of our choice.]

[Come in and see the many NOVELTIES we are opening every day. Don't wait until you're ready to purchase. We WANT YOU to SEE them, and to SEE them is to WANT them.]
