## SCLATER'S,

Water Street, Foot of Queen's Street,  
would call attention to the fact—that, having decided  
on making some changes in the working of the business,  
which will necessitate some alterations in the prem-  
ises, they intend marking down all the Dry Goods at  
present in stock, and which have been carried over  
winter, to the lowest popular prices.

This Sale will be on for one month only from date,  
and will consist of Costumes, Coats, Men's and Boys'  
Clothing, Hats, Caps, Ties, Gloves, &c., &c., along with  
the usual stock of Dry Goods carried.

All new goods coming now will be marked down to  
the lowest possible prices, taking into account the ad-  
vanced cost in foreign markets.

This being a CASH SALE, no approbation will be  
allowed, except to those who have accounts with the  
Firm.

## THE WAR IN ITALY.

PARIS, May 24.  
The following official statement  
has been received from Rome—  
The Italian Government has  
just received from the Italian  
army the following declaration  
of war offensive actions would occur  
against our Adriatic coast with  
the purpose of obtaining moral effect,  
rather than attaining military pur-  
pose, but we were able to prepare for  
these and render their duration short.  
Small naval units of enemy destroy-  
ers and torpedo boats fired their guns  
upon our Adriatic coast between 4  
and 6 o'clock this morning, at the  
same time aeroplanes attempted to  
attack the arsenal at Venice. The  
enemy's ships, after a short cannon-  
ade, were forced by our torpedo boats  
to withdraw. The enemy's aeroplanes  
were fired upon by our anti-air craft  
batteries, and by a dirigible flying over  
the Adriatic. Aeroplanes attacked  
Porto Corsini, which replied, and  
obliged the enemy to retire quickly.  
At Ancona, where an attack was di-  
rected against the railway-line, with  
the intention of interrupting com-  
munications, slight damage was  
caused, which can be repaired easily.  
At Baletta an attack was made by a  
cruiser and destroyer, which was  
put to flight by our ships which were  
escorted by torpedo boats. Finally,  
at Gessi, the enemy's aeroplanes at-  
tempted to throw bombs upon a  
hangar, but without reaching the  
mark. All other news of operations  
last night has no foundation.

## ALL OR NONE.

LONDON, May 24.  
Italy has given her adhesion to the  
agreement already signed by the Al-  
lied Powers, not to conclude a sep-  
arate peace. Signature to a formal de-  
claration to this effect is imminent.

## IN THE SAN REGION.

LONDON, May 24.  
A Petrograd bulletin says: The  
Austro-German forces in Galicia have  
assumed the defensive. Their active  
operations consist chiefly of counter-  
attacks. According to an official  
statement issued last night from the  
headquarters of the Russian General  
Staff, slight progress is claimed on  
the left bank of the Lower San, and  
the claim is made that all assaults by  
the Austro-German troops to the  
southeastern theatre of operations  
were repulsed.

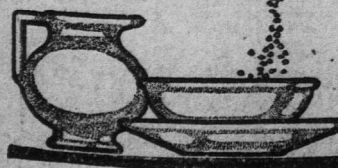

DARDANELLES REINFORCED.  
CONSTANTINOPLE, May 24.  
(By wireless to Berlin and London).  
The number of British and French  
troops landed along the Dardanelles

## TURKS MURDER CONSUL.

LONDON, May 24.  
A despatch to the Exchange Tele-  
graph from Odessa, says it is report-  
ed that the Italian Consul at Con-  
stantinople has been killed.

## A CENTURY OF PEACE.

SAN FRANCISCO, May 24.  
The century of peace between Amer-  
ica and Great Britain, was celebra-  
ted to-day at the Panama-Pacific Ex-  
position, by a parade of eight divis-  
ions, representing eight major British  
possessions. There will be a big il-  
lumination to-night.

## ON THE INSIDE TRACK.

LONDON, May 24.  
Much curiosity is evinced as to how  
the Daily Express gets the first news  
of political events nowadays. Being  
a Unionist journal, the Government  
naturally does not give it exclusive  
information, yet the Express publish-  
ed the first news of the Government's  
plans regarding the drink problem,  
which ended in fiasco, and was also  
the first to give out the news of the  
present Cabinet crisis. The public  
are inclined to credit the statement  
made by the Express to-day, that  
Lord Fisher is likely to be succeeded  
by Admiral Sir Henry Jackson.

## HINDENBURG FOR ITALY.

ROME, May 23.  
The few Germans left in Rome  
have taken refuge in the Chinese le-  
gation. The announcement is also  
made that Field Marshal von Hinden-  
burg will take command of the Aus-  
tro-German troops against Italy.

## MARCONI JOINS ARMY.

NEW YORK, May 23.  
William Marconi, the inventor of  
wireless telegraphy, sailed to-day in  
response to a summons from the King  
of Italy, to serve his term on the  
military staff of the Italian army.

## A WISE DECISION.

LONDON, May 23.  
The London County Council took  
drastic steps to-day to deal with the  
strike on the Municipal tramway sys-  
tem. It ordered all employees of  
military age, who are eligible for ser-  
vice in the Army and Navy, to sur-  
render their uniforms and badges. Only  
men above military age will be em-  
ployed during the remainder of the war.

## THE RAILWAY HORROR.

LONDON, May 23.  
An official announcement was made  
to-night that 158 persons were killed  
or missing as the result of a triple  
collision, which occurred yesterday  
morning on the Caledonian railway,  
north of Carlisle. All except six of  
the killed were soldiers belonging to  
the Royal Scots Regiment, five hun-  
dred of whom were travelling on the  
troop train. At least two hundred  
persons, mostly soldiers were injur-  
ed. These figures establish a new re-  
cord for railway accidents in the  
British Isles, the number of dead and  
injured being far greater than at any  
previous disaster of the kind. The  
death toll will probably be added to,  
as many of the injured are not ex-  
pected to recover. Added to the hor-  
ror of three trains coming into col-  
lision was fire, which broke out in  
the wreckage, rendering the rescue of  
those, held in the tangled mass, im-  
possible. Many were injured and  
burned to death.

## AUSTRIAN BARRACKS DESTROYED.

VERONA, May 23.  
The Austrian barracks at Rovereto,  
a town in the Tyrol, with about 12,000  
inhabitants, was blown up to-day.

## AGAIN IN ACTION.

OTTAWA, May 22.  
The whole Canadian division has  
again been in action, along with the  
Newly-Borned Fourth Brigade, com-  
manded by General Seeley. Advice  
received by cable to the Militia De-  
partment this morning, state that a  
battle occurred on Thursday night,  
and Friday morning. It was a fierce  
hand to hand struggle. Fighting took  
place in an orchard. The Canadians  
made a brilliant attack on the Ger-  
mans and distinguished themselves  
with a brilliant charge, in which  
large numbers of the enemy fell, and  
several of their guns were captured.  
Details of the Canadian casualties are  
not given, but it is believed that they  
are considerable.

## CANADIAN CASUALTIES.

OTTAWA, May 23.  
General Hughes received a cable  
last night re the latest engagement  
of the Canadians, stating that fifty-  
five were killed out of total casu-  
alties of four hundred, including Major  
Wright, of Ottawa, and half a dozen  
other officers wounded.

## BRITISH STEAMER SUNK.

BEECHHAVEN, Ireland, May 22.  
The British sailing ship Glenholm  
was sunk yesterday evening by a Ger-  
man submarine, 15 miles off this port.  
The crew were saved. The Glenholm  
was on her way from Chilli to Liver-  
pool with a cargo of nitrate.

## ASSASSINS WARNED.

LONDON, May 23.  
A joint official statement by Brit-  
ain, France and Russia issued to-  
night, says: "For the past month the  
Kurds and Turkish population of Ar-  
menia have been engaged in massa-  
crees, one battery being destroyed by  
direct hits, and its ammunition blown  
up. East of Ypres the Germans de-  
veloped an infantry attack this morn-  
ing, under cover of poisonous gas,  
hostile artillery at the same time fir-  
ing asphyxiating gas shells. Our  
troops were forced to evacuate some  
of their trenches. The enemy pene-

## Amusements.

## AT THE CRESCENT.

The big show at the Crescent Pic-  
ture Palace attracted large audiences  
at the sessions yesterday and was  
thoroughly enjoyed by everybody; the  
pictures are a splendid bunch and  
Mr. Delmonico's big vaudeville act  
was a great feature. The same bill  
will be presented to-day and yester-  
day out of town citizens should go to-  
day and see a really good show. On  
to-morrow: "Too many husbands"  
will be the attraction, this is a  
special two reel comedy in which  
Sydney Drew features.

## "QUO VADIS."

The afternoon and evening shows  
of "Quo Vadis" at the Casino yester-  
day attracted large numbers of peo-  
ple who eagerly availed of the oppor-  
tunity to see this wonderful picture.  
The depicting of the scenes of a ver-  
dod of Nero's reign is marvellously  
realistic and is to-day one of the  
most magnificent pieces of photo-  
graphy in existence. Its production  
cost over \$100,000 and when it is con-  
sidered that it took two years to  
thoroughly complete the picture one  
can get an idea of the tremendous  
amount of labor and arrangement  
necessary to do all realistically por-  
tray and to so graphically describe  
the incidents connected with Henry  
Sienkiewicz's famous story. This  
raucor of months, in fact years, and  
the big outlay of money can be seen  
for only ten cents. There will be a  
matinee each afternoon during the  
show as well as one show nightly.  
The show at night starts at 8 p.m.  
sharp, therefore be on time and wit-  
ness one of the finest products in the  
world to-day.

## "OURS" IN THE WEST END.

There was as usual not standing  
room at the cosy little house last  
night, and all were charmed with the  
fine pictures, all the very latest and  
the sweet little singer was loudly ap-  
plauded for her new song: "We don't  
want to lose you." Always clean,  
cosy and well managed and the pick  
of the finest films at the little house  
in the West End.

## PANTOMIME EVENT OF THE

SEASON.  
The pantomime is without a doubt  
the leader of all the amusements in  
St. John's. A splendid high class,  
dainty performance; the costumes are  
the best ever seen; the songs, dan-  
ces, in fact every thing is perfect.  
Jack Rossiey, as the old woman who  
lived in a shoe, was fine. The great  
shoe itself, where the old woman is  
supposed to live is a great idea. The  
moon song with the mechanical  
moon; but the hit of the whole show  
is the crinoline girls. The pos-  
sibilities in this have never been equal-  
led or anything approaching them  
ever seen before. Miss Madge Locke  
was positively captivating. Mr. Bal-  
lard Brown sang in splendid voice;  
Bonnie Rossiey in several beautiful  
costumes. The whole show is mar-  
vellous and there was not standing  
room. Special matinee on Wednes-  
day.

## MILLION DOLLAR MYSTERY.

The attendance at the Nickel The-  
atre yesterday was large, each per-  
formance being crowded. The show  
was a splendid one and afforded gen-  
eral satisfaction. "Our Mutual Girl"  
was a delightful presentation. The  
other films were also good and were  
watched with the greatest interest.  
This evening the programme will be  
repeated and we advise all to attend.  
The wonderful story: "The Million  
Dollar Mystery" will commence at  
the Nickel Theatre to-morrow. There  
are no less than forty-six reels, and  
two will be shown weekly. The pho-  
tographs are marvellous. This is  
the greatest and most sensational pic-  
ture ever taken. Read the first chap-  
ter in this evening's Star, and be  
sure and see the pictures.

## BRITISH THEATRE.

Empire Day was a record one at  
the British Theatre, the attendance be-  
ing the largest since the opening of  
the theatre. The British Theatre is  
becoming more popular all the time  
because of the excellence of its shows.  
The feature yesterday was "Me nad  
Bill" or "Pals for Three Score Years";  
and an effective story it proved. Ev-  
eryone was charmed with it. "The Lit-  
tle Widow" also found general favor.  
"The New Stenographer" and "Bunny  
Buys a Harem" were immense. Mr.  
Cameron sang Soldiers of the King and  
was thunderously applauded. The  
theatre was neatly decorated yester-  
day. The show will be repeated this  
afternoon and night.

## S.O.E. Parade.

The members of Lodge Dudley, No.  
227, of the Sons of England Benefit  
Society, paraded to Divine Service at  
Wesley Church on Sunday afternoon.  
The pastor, Rev. H. Royle, conducted  
the service and delivered an eloquent  
and patriotic address from the text:  
"We are able." On return to the hall  
hearty votes of thanks were passed  
the pastor and the choir.
