with uncorrected eye trouble. If you want your children to study
in comfort and be 100 per cent. efficient, have their eyes looked
after. Thousands of children are backward in their studies due

Corsets for Ladies.
Prices from \$1.50 pair.

In Superior Quality Corsets.

Though we mention this Special
Value at \$1.50 pair, we don't believe
that you should economise on your
corsetting. Some people think they
can, as the corset is not seen. But
the corset is always apparent as being
the foundation of dress. You cannot
get the correct-hang to your dress if
you are not properly corseted.

We therefore urge you to buy

"W. B." CORSETS

if you wish perfect corsetting. These
are very moderately priced at

A Musical Education!

Next time you are in a house where there's a Diamond Am-
berola, watch the youngsters. They can handle the machine
and records without Mochet worrying about breakages. Note
the tiny tots trying to sing, and then ask yourself whether the
way is being paved for your own children to acquire that pre-
cious accomplishment—a musical education. The New Edison
Diamond Amberola is on view at 178 Water Street.
