

Council Refuses to Permit Open Air Rink.

CHILDREN DEPRIVED OF WINTER PLEASURE BECAUSE OF INDIVIDUAL PROTEST.

An effort to provide a small open rink and sliding place in Banner Park for children, has been stopped by the interference of a resident of Circular Road, whose home is near the site chosen for the proposed rink. It appears that Mr. M. ... who is employed about the rink, started last week to make a rink in that portion of the park, fronting on Circular Road. He had banked the place with snow, ready for work when the City Engineer ... and was engaged at this time when the City Engineer ... orders that the key of the fountain from which the water was taken should be brought to the water store. This order Mr. Miller was refused from using any more water. Orders issued by the Engineer, ... followed as a result of a complaint by the party as stated. Mr. Miller was doing work free and he states it was his intention when it was completed, to make a slide-way from the height of the handstand to the lowest part of the enclosure.

Health Officer Tests Milk Supply.

Health Inspector Lawlor in accordance with his annual inspection has recently tested the city's milk supply by taking samples from the vendors who daily visit the market. The test showed that the milk is of a high standard. A great improvement has thus been shown over the last year's results, when the daily supplies were 24% below the standard. The farmers are doing all possible to co-operate and assist the health officer in his work, and we are sure that even better results can be had forward to next year.

G.W.V.A. Committee.

DOING GOOD WORK. The G.W.V.A. Committee, has done very much for the community. The regular meetings will be held to-day in the Association's rooms, when a programme will be mapped out for the next 30 days work. Additionally a number of money will be raised by means of a Christmas sale, similar to that held last year. The Committee have received many requests both from the public and from the G.W.V.A. for help, and their expenditures now amount to over \$100. Only experienced men and their assistants are being looked after. Last year, a considerable sum was required for the purpose. The G.W.V.A. will be a great assistance to the community.

Dance of The Season.

C.C.C. HALL TO-NIGHT. The dance in the C.C.C. Hall to-night promises to be a great success. The first time in St. John's the public will have an opportunity of tripping the light fantastic to the music of the visiting orchestra. Arthur Bulley having arranged a programme at which the Mae Edwards' Orchestra will play. The visitations under the capable leadership of Mr. Otis have all the newest dances and it can be anticipated that the affair will terminate quite successfully.
