

SPORTOGRAPH

LIGHTWEIGHT CHAMPIONSHIP TO-NIGHT.

Beney Leonard, lightweight champion, will battle to-night with his dangerous rival, Lew Tandler, in a scheduled fifteen round bout. This is Tandler's second chance at the championship, having given Leonard the toughest fight of his career last summer in Jersey City.

ENTRIES CLOSE TO-DAY.

Competitors in the Junior Football race and road race at Mount St. Michael's are reminded that entries close this evening with C. J. Ellis.

OLD TIMERS' GAME.

The announcement that the League is officially arranging an Old Timers' game for the benefit of the Marine Corps, is creating a great deal of interest. Secretary Harris informs us that in addition to those already mentioned Messrs. Carmichael and Haller would be in line, and Mr. P. C. Crotty as referee.

TO-NIGHTS GAME.

The C.I.B. will face the Cadets to-night at 7.30 in the regular League schedule game. There will be no game in the line-ups of either team as their last appearance. Mr. C. Crotty will referee.

JUST SO.

Utilization is advancing. Here's one offering \$100,000 for a World War plan—fully one third as much as was guaranteed for a boxing bout.

CITY DEFEATS "CONSTANCE."

A fair gathering of fans turned out to see the contest between H.M.S. "Constance" and a picked City team on Saturday evening, which was won by the home product by a score of 10 to nothing. Jimmy Young and the City side gave a wonderful exhibition of their skill and excellent consideration. During the game the ship's crew, had his quarters dislocated and the services of the John Givens were rendered. The result of the "Constance" refereed game.

YOU SAID IT.

Don't have to go in swimming with a "shark" pull your leg.

WANTS MEET HARRY WILLIS BEFORE DEMPSEY.

Las Angel Firpo, who added aged and willard to his victims is looking for more publicistic worlds to conquer. A series of conferences, however, failed to bring any nearer his prospective match with Jack Dempsey, who indications point to the probability that Firpo, admittedly still lacking in the finer points of ring science, will get one or two more testings before he gets a shot at the champion.

As a matter of fact, Firpo, in the course of a late talk with Tex Rickard at Madison Garden, expressed a desire to fight Harry Willis. New Orleans news has him stood out as a challenger for more than a year.

Richard also conferred at some length with Jack Kearns, Dempsey's manager, but said that he had no definite word in sight right now. Richard has Firpo under an iron-clad contract for a time-match with Dempsey, but under its terms, a bout with the champion may be arranged at any time before March, 1924, or later.

The agreement is extended. The fight between the Willard-Firpo bout totaled \$75,712, official check returned men at Jersey City stated, but Rickard stuck to his statement that the entire crowd numbered about 100,000, claiming that about 600 "gate-chasers" policemen, who and other officials attended.

Final receipts amounted to \$428,000. Willard's share of the net was 30 per cent., amounted to \$117,000, while Firpo's share, 22 per cent., was \$85,000.

WELLS TO-MORROW NIGHT.

CALCUTTA VS. CITY. It can be arranged, the game scheduled for to-morrow night, between the Saints and Fieldians will be called off and a game between an even will take its place. The City team will be announced in the daily papers to-morrow, if the same materializes.
