

French President Decides to Resign

Temporary French Ministry Meets Defeat
--King George Saved From Mishap by Good Horsemanship--Italian Immigrants to Canada Turned Back.

MILLERAND REFUSES TO RESIGN.

PARIS, June 10. President Millerand in a message sent to Parliament to-day, refused to resign his office. The President said "dangerous counsellors, in partisan interests, are trying to see that the new Legislature begins with a revolutionary act by the Chamber. I will refuse to follow them. The Senate will wish to remain, as for formerly, in grave circumstances, the defender of the constitution. I appeal confidently to the wisdom of members to their prudence, and to their love of France and to the Republic. Conscious of my duty I have assumed my responsibilities. The hour has come for Parliament to assume its own." Premier François Marsal's ministerial declaration, accompanying the President's message asked a

clean cut vote, saying that if the message was rejected, "the chief of state will take a decision consequent upon that action."

KING'S GOOD HORSEMANSHIP AVERED IN ACCIDENT.

ALDRERSHOT, Eng., June 10. The excellent horsemanship of King George got him out of a tight place this afternoon and saved him from a possible mishap. The King was leaving the parade grounds, on his charger, after reviewing the troops, and the horse became frightened at the cheering crowds. The animal bucked and nearly collided with a horse ridden by the Duke of Connaught beside the Queen's carriage. The King made a second attempt to force his horse to accompany the procession, but the animal terrified

plunged until his royal rider was forced to turn back and ride home along a quiet route.

FRENCH PRESIDENT DECIDES TO RESIGN.

PARIS, June 10. President Millerand has decided to resign, according to the semi-official Havas Agency. Millerand's resignation will be read before both houses of parliament at the beginning of their sessions at three o'clock tomorrow afternoon. His successor will be named at the joint meeting of the two houses at Versailles on Friday, in accordance with French law, which requires that a successor be named within 48 hours.

MARSAL MINISTRY DEFEATED.

PARIS, June 10. The François Marsal temporary Ministry was defeated in the Chamber of Deputies by a vote of 529 to 214 late to-day, on the adoption of a motion offered by the majority leader, Edouard Herriot, not to open a discussion with a Government not in conformity with the sentiment of the country.

A DEFEAT THAT WAS NOT A DEFEAT.

PARIS, June 10. The Senate this afternoon voted down by 154 to 144, the demand by former Minister of Agriculture Chéron, spokesman for Premier François Marsal, for interpellation on the Presidential crisis. The vote was at first considered to constitute a defeat of the Ministry, but political leaders of the Chamber, after considering all the circumstances, decided later it would not be so construed.

MISSIONARY KILLED.

NEW YORK, June 10. Conditions are becoming increasingly serious in the Kwangsi Province of China, where one missionary is known to have been killed and several others are in danger, the Christian and Missionary Alliance was informed in a cablegram to-day from Rev. R. A. Jaffray, Toronto Missionary, who himself was recently released by Chinese brigands. Definite confirmation of the reports that the Rev. Jos. R. Cunningham, of Salem, Va., had been killed was contained in the cablegram.

ITALIAN IMMIGRANTS TURNED BACK.

HALIFAX, June 10. One hundred and fifty-one of the two hundred and one would-be Italian immigrants, who were not allowed to land when the Italian steamer, Dante Alighieri, arrived here from Naples a fortnight ago, and were carried to New York, were brought back again yesterday afternoon. They are now on the way back to Italy, the Dante having sailed early this morning, after an unsuccessful attempt was made to land. Fifty of the original party were admitted, twenty-nine of whom, having furnished bonds for one year, have accepted farm work in Quebec; three have been admitted conditionally, and eighteen are appealing to the Immigration Department at Ottawa.

ANOTHER ERUPTION EXPECTED.

HILO, Hawaii, June 10. Prof. T. W. Jagger, the Volcanologist, who hurried back here to observe the eruption of Kilauea, is of the opinion that a big explosion of the volcano is imminent. This is based on Sunday's explosion and landslide, the first since May 30, and the fact that noises like dashing waves are arising from the pit. The cracks in the floor of the pit have widened since yesterday, and there has been numerous earthquakes.

FOREST LAND DESTROYED.

OLD FORGE, N.Y., June 10. Scores of acres of forest land in this district were swept away by fire which broke out simultaneously in several places yesterday.

Portia for Labrador Coast

The Portia has been taken off the South West Coast route for the present and will sail for the Labrador tomorrow morning instead. The ship will go as far north as Holton, and will take along fishery supplies and pick up the fishing crews while en route. The Glenora is coming direct from Marytown and will sail from here on Friday morning on the Western route. Conditions are reported very good along the Labrador coast and it is possible that the Portia will make all ports without any trouble. The Sagana sails on the same route Friday morning and will take freight and any crews left by the Portia.

ST. MARY'S GARDEN PARTY.

Should the weather conditions permit, the St. Mary's Annual Garden Party takes place at Lester's Field this afternoon. The various committees have finalized all arrangements and those patronizing the affair are guaranteed every satisfaction as to sport and catering. The ladies have spared no pains to make their various tables attractive and the reputation which they made for themselves in the past is being fully maintained in connection with this year's event. The chief attraction will be the sports programme, featuring the three mile road race. Judging from the entries received for the various items, the races will no doubt be keenly contested and will attract hundreds of spectators to the field. The following have been received for the three mile road race, which starts from a point near the Sanatorium, at 5 p.m.:—G. Stone, W. Linegar, R. O'Toole, F. Burridge, G. Crane, J. Rabbitts, D. Badcock, J. Ralph, E. Colyer.

GAME POSTPONED.

Owing to the disagreeable weather of yesterday and last evening, the football game, Guards vs. Saints, was postponed.

TO-NIGHT'S GAME.

The second game of the Junior League series will take place on St. George's Field to-night, the contesting teams being the Scouts and Gaelic. Since the beginning of the season both teams have put in much practice and have been able to make many changes in their line-ups since last year.

LAWN TENNIS.

Singles And Doubles.
The service in a double is important, but it does not govern the result so much as in a single. A good server will vary the direction of his service according to his opponent. It may be he is in command of a service that allows him to volley. In that case he must be particularly careful to avoid angles. The best service, when your intention is to follow the net, is down the centre line. This enables you to follow behind the ball and compels your opponent to make his own angles, which is always difficult from a fast, straight service. If, on the other hand, you make the angle for him by serving into either side-line corner he has two replies, either straight down the line or the cross court angle shot, both of which are difficult to volley. It is a very good point to remember that when taking up a volleying position to follow in behind the ball. The easiest and shortest way to do that is to make your shot straight in front of you.

CARPENTER WILL MEET GENE TUNNEY.

Billy Gibson Anxious to go Through With Bout Between Frenchman and His Charge.

New York, June 6.—Billy Gibson has decided to go through with the Tunney-Carpenter match if he can find a promoter to take it over. As matters appear now this bout will be promoted by Jimmy Johnson at one of the ball parks, either during the week of June 18 or as near that time as possible. Gibson has sent the following telegram to François Descaups, manager of Carpenter: "Newspapers here say Georges sprained an ankle. Advise me immediately if he still can fulfill his contract to box Gene Tunney here week of June 18, or if you wish postponement to later date."

CAMP TRIED TO "FOX" T. GIBBONS.

St. Paul, Minn., June 6.—Tommy Gibbons, St. Paul light heavyweight, back home from Michigan City, Ind., where he defeated Georges Carpentier, of France, said to-day he believed the Frenchman was trying to "fox" him in the ninth and tenth rounds. According to Gibbons, Carpentier, after shaking hands before the tenth round, said: "You wouldn't punch a fellow with a broken leg." Carpentier injured his ankle in the ninth round. Gibbons, none the worse for the battle, plans to spend a month at work with his family at their summer home at Lake Okauk, Minn., pending outcome of negotiations for future bouts.

YOUR GIRL

Will take a real interest and make a success of the fine art of cooking if you provide her with the necessary equipment at home. Just because her grandmother used an old-fashioned coal stove is no reason why the young generation should be burdened down with it. If your kitchen is equipped with a "SMOOTHTOP" VULCAN GAS RANGE, fitted with a Modern Heat Regulator, perfect results are certain.

Try this recipe for NUT BREAD: 4 cups flour, 6 teaspoons baking powder, 1 teaspoon salt, 1 cup sugar, 1 cup English walnuts, 1 cup milk, 2 eggs. Mix and sift dry ingredients and add the chopped nuts. Add milk and well beaten eggs. Put in two buttered pans and let stand 20 minutes. Set your oven heat regulator at 375 degrees and bake for 20 minutes.
