DOMINION PARLIAMENT.

Ottawa, March 5. The first session of the Second Parlia-

ment of the Dominion was opened to-day by Lord Dufferin, who attended the Sen-

ate Chamber in state, a few minutes after

both Differing, who attended the Soli-ate Chamber in state, a few minutes after 3 o'clock, accompanied by a body guard. The ceremony was a somewhat tame af-fair, the grand display being reserved for to-morrow, when the Speech from the Throne will be given. The whole proceedings in the Senate Charber, after His Excellency's arrival, only lasted a few-minutes. A large con-trow at the delivery of the Speech. The Speaker and the new Senators, with the exception of Mr. Vidal, were sworn in provious to His Excellency's arrival. The Gentieman Usher of the Rod was admitted, and announced a message from. His Excellency the Governor-General, desiring the attendance of the House in.
bers accordingly proceeded in a body to thatHouse, where his Excellency intimated that they should elect a Speaker, and that they should elect a Speaker, and that they should elect a the size of the speech.

The members then returned to their own chamber. Sir John Macdonald then proposed that the Hon. Jas. Cockburn be Speaker, which was seconded by Hon. Mr. Lan-govin, and carried unamimously. The-Speaker was then conducted to the chair..., The House then adjourned.

SPEECH FROM THE THRONE.

At three o'clock His Excellency pro eeded to the Senate, and the members

In addressing for the first time the

Parliament of Canada, I desire to express

deep sense of my own good fortune in

being permitted to associate myself with

to think that my assumption of officer should have taken place at a period when

the prospects of the country appear so full of promise, when peace and amity

prevail amongst all. neighboring nations,

and when so many indications are afforded of the success with which Canada her-

self is consolidating her political unity, and developing her natural resources.

In accordance with the decision of Par-

iament, and to carry into effect the

legislation of last session, I have caused

nadian capitalists for the construction of the Pacific Railway. The Company now

formed has given assurance that this great work will be vigorously prosecuted,

and a favorable state of the money mar

ket in England affords every hope that

satisfactory arrangements may be made for the required capital. Thepapers and correspondence relating to this subject
