BREAKFAST.—Epps's Cocoa.—GRATIFY AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. —Civil Service Gazette. Made simply with boiling water or milk. Each packet is labelled — "James Epps & Co.", Homoeopathic Chemists, London." j56-9m

JESUITS IN GLASGOW.—It is claimed that in Glasgow, as elsewhere in Scotland, there has been a great "Catholic Revival," and that this is in a measure owing to the unwearied labors of the Jesuits. There are in and within a short radius of the city no fewer than twenty Roman Catholic places of worship. Connected with these there are upwards of fifty priests. Sittings are provided in these churches for about 20,000 people, and there are nearly 20,000 children taught in the Sabbath Schools conducted by the adherents of these churches. Glasgow boasts of the Catholic Cathedral of St. Andrew, a large church seating 2,500 people, and that city is also the abode of the Most Reverend Archbishop Eyre, Administrator Apostolic of the Western District. Statistics show the number of Roman Catholics throughout Scotland to be almost in the proportion of one to seven of the entire population. The whole number of Romanists, as lately ascertained by themselves, in that section of the Empire is 360,000. The number of priests is 277; of churches and stations, 222; and convents 23. There are no less than 150 congregational schools, and a college at Blair, for the education of priests, which has an average number of 68 students.

METHODIST UNION.—The Methodist New Connection adjourned Conference met at Milton, on Wednesday, pursuant to the call of the President, who took the chair at nine o'clock. After devotional services, the roll was called by the Chairman. About seventy answered. The busy season of harvest detains many of the lay representatives who were present in June. The principal business of this session will be the reception of the report of the deputation to the Wesleyan Conference and to the English Connection in relation to union, and to take final action thereon; to appoint delegates to the General Conference which meets in Toronto, in September, for the re-construction of the Methodist Church.

On Monday, 10th inst., the wife of Mr. Jacob Gaukel, of Petersburg, attempted to commit suicide by cutting her throat with a razor. She had shown symptoms of insanity for some time past. Hence the rash act.

SALT RHEUM.—This disease can be cured in its worst form. Read this from David Simpson, 89 Prince street, Boston:—Dear Sir,—This is to certify that my daughter, (Sarah Simpson) has been troubled with Scrofula and Salt Rheum Humor for several years mostly confined to her head. The past four years has been so bad that she has been almost blind, some of the time not being able to read. She has been under the care of physicians in New York and Boston, and finding no relief, she took two bottles of Fowler's Pile and Humor Cure, which wholly cured her.
