Court Defiance.

At a regular meeting of Court Defiance No. 7, C. O. F., Bros. W. A. Reid and A. Ferguson gave their report of the proceedings of High Court at Ottawa in June. The report was listened to with great attention throughout, and was supplemented by some visitors to the court. The members were so well pleased that the following resolution was unanimously passed by the large gathering: "Resolved, that having heard the report of the representatives, we most heartily endorse and approve of the stand taken by them, believing it to be in the best interests of the order." The rapid strides of the order as a purely Canadian one were shown, and the very low death rate. A very pleasing feature of the night was the presentation of P. C. R. Jewels to Bros. All. Cave, C. W. Walker, Paul Wyrzy, W. J. Nickle, Geo. Harper, J. W. Thompson, C. Taylor, T. A. Atkinson, A. R. Galpin, A. Ferguson, W. A. Reid, T. C. Howell, Wm. Harding. The committee of arrangements, Bros. Fletcher and Toon called on Bro. Ed. Toon, F.H.C.R., to make the presentation, who did so in a very happy manner, alluding to his pleasant intercourse with the brothers who were the recipients of the good will of the members of No. 7, and also of the pleasure of his association with one of the oldest courts which was so much a solid basis as was the High Court of the C. O. F. He congratulated No. 7 on the general efficiency and interest of its past as well as its present officers, and the general good attendance—a feature which must insure success. Several visitors followed, making the evening one long to be remembered, and showing the benefits to be derived from connection with a Canadian enterprise. Bro. W. J. Element, D.D.H.C.R., R. McEhleran, P.C.R., R. Thomas, P.C.R., Chas. Doe, P.C.R., favored the court by their presence, and complimented No. 7 as a model court.
