Brooklyn Takes First Game in World's Championship Series With Pittsburgh—Latest News in the World of Sports.

BASEBALL

PITTSBURGH LOST THE FIRST.
Pittsburgh, Pa., Oct. 15.—The post-series of ball games between Brooklyn and Pittsburgh for the world's championship and possession of a \$500 trophy cup was begun today at Exposition Park, in the presence of four thousand enthusiastic fans. The series was made possible by the Chronicle-Telegraph, of this city, shortly after Pittsburgh's phenomenal stride toward the pennant in the latter part of the season, offering a beautiful trophy in the shape of a solid silver punch bowl, to be contested for by the teams finishing first and second, provided Pittsburgh was one of them. The team winning three games out of five to have absolute possession of the trophy, and the gate receipts of the series will be divided among the members of both teams who were signed before Sept. 15. Great interest attaches to the contest, because Pittsburgh has won the series from every team in the league with the exception of Cincinnati, and many friends think they would have won the pennant had not so many of their players been disabled towards the end of the season. The first game was won by Brooklyn hands down. McGinnity, the "iron man" had his opponents completely at his mercy up to the ninth inning, allowing only three "dinks" hits up to that time. In the eighth inning McGinnity was being run down by Waddell between third and home, and in an attempt to dodge his pursuer McGinnity fell striking his temple hard on Waddell's knee. He was laid out for three or four minutes, but pluckily went to the box and finished the game. In the ninth he hit a batter, gave a base on balls, and two hits, saving Pittsburgh a shut-out. Waddell was not hit hard, but often, six hits being made off him in the third inning. His support was not of the best, O'Brien and Williams' errors being costly. Score: R. H. E. Pittsburgh... 0 0 0 0 0 0 0 2-2 3 4 Brooklyn... 0 0 3 0 1 1 0 0-5 13 1
Batteries—Waddell and Zimmer; McGinnity and McGuire.

OBTAINED JUDGMENT.
Syracuse, N. Y., Oct. 15.—Pitcher L. D. White, of the Syracuse Eastern League baseball club, obtained judgment today for \$161.66 from the association, for back salary. Suite of 12 other players will be held back on the promise of the directors to pay the claims.

WHEEL.
TO LOWER THE 2,000-MILE RECORD.

New York, Oct. 13.—Miss Margaret East, who since 1 o'clock last Saturday has been traveling almost incessantly over the roads in the vicinity of Valley Stream, L. I., in an endeavor to lower the 2,000 mile record, completed 1,660 miles of her journey at noon today. At that time she had broken all previous records for 1,500 miles by about 34 minutes. She was in very fair condition, and fully expected to beat all records. For a time last night she was inclined to give up the task she

set for herself, but she was persuaded to struggle on by her fiancé, Will Brown. Miss East's managers say that she will finish the 2,000 miles on Monday night.

COMPLETED HER RIDE.
New York, Oct. 15.—Miss East completed her ride of 2,000 miles at 7:05 p.m. this evening. She covered the distance in 222 hours 54 minutes, beating the record of Will Brown by 3 hours 1 minute. At the conclusion of her ride, Miss East was examined by two physicians, who pronounced her to be in good condition. She said tonight that if she should be feeling as well as she expected in the morning, she would start on another 1,000 mile ride.

YACHTING.
THE FISHER CUP.
Rochester, N. Y., Oct. 15.—Word was received in this city from Toronto today that the Royal Canadian Yacht Club has decided to challenge for the Canada, or "Fisher" cup again. The challenge was sailed next fall perhaps off Ontario Beach. The championship of the great lakes accompanies the cup. It is said a new challenger will be constructed by the Canadians from designs by H. C. McLeod, who designed the "Aurora" and will sail the "Aurora" in her race with the Genesee this fall.

ATHLETICS.
THE OLYMPIC GAMES.
New York, Oct. 15.—The Herald says: America is to have the Olympic games in 1901. They will be under the jurisdiction of the Amateur Athletic Union, and will be held at Buffalo during the Pan-American Exposition. Four years ago, when the games were revived largely through the efforts of Baron Pierre de Coubertin, it was intended that they should be held only once every four years, but the idea has now been abandoned, and the international committee favors holding the games annually, the date and venue to alternate between different countries. During the visit of the American athletes to Paris this summer, there was much speculation as to who would get the games next year. Austria, Germany, Switzerland, and even Sweden, seemed anxious for the privilege, but the committee received the application of these countries with disfavor. England was looked upon as the only country where the games would be suitable in 1901, but the English Amateur Athletic Association does not want the games.

FISTIO.
A 15-ROUND GO.
London, Oct. 15.—At the National Sporting Club, London, this evening, "Charlie" McKeever, welterweight, of Philadelphia, defeated Dido Plun, of London, in the 15th round.

THE McGOVERN SULLIVAN GO.
Cincinnati, Ohio, Oct. 15.—Negotiations are still pending, but incomplete for the McGovern-Sullivan fight at Louisville. The parties are agreed that the guaranteed purse shall be \$2,500; that the forfeit of each contestant shall be \$1,000; that the time shall be between Nov. 10 and Dec. 10; that the weight shall be 124 pounds; that there will be 25 rounds, and that Siler shall be referee. The stumbling block now is about where the forfeits shall be deposited. McGovern has deposited \$1,000 with a newspaper in Cincinnati. Sullivan refuses to deposit with McGovern's deposit is made in Louisville. There the matter stands.

CRICKET.
WOLSELEY BARRACKS ELEVEN VICTORIOUS.

The Wolsley Barracks and the Woodstock College eleven met on Carling's Heights Saturday afternoon, the former winning out quite handsly. For the military men Pte. J. B. Biddow made 41 and 22, not out, and 13 of the visiters fell victims to his superior bowling powers. Quartermaster-Sergeant Dunlevy also "did fine work, and with Lieut.

Unlacke and Pte. Chas. Faryon, helped to secure the victory. For Woodstock, Mr. P. S. Biddow carried off the honors. His splendid score of 47 in the second inning was made in splendid style, and his bowling laid nine warriors low. Mr. Anderson succeeded in lowering the wickets of five military men, and in addition he piled up 16 runs. The score:

GOLF.
The second and third rounds for the Gillean prize played off last week left Miss Macfie and Miss Beddome in the final, which were played off yesterday afternoon. The champion, Miss Macfie, was defeated by Miss Beddome, who thus becomes the happy winner of the much-coveted pearl pin.

An approach and putting competition for a prize presented by Mrs. John Lauder, was held on the links at West Hill yesterday afternoon. Mrs. Hellmuth was the winner.

The preliminary round for Mrs. Smallman's prize is being played this week.

VARON DOWNED BY NICHOLLS.
Newton, Mass., Oct. 13.—For the second time during his stay in this country, Harry Varon, winner of the United States open championship, was defeated by Bernard Nicholls, this afternoon on the Braemar links at West Newton. Nicholls was one up on Varon at the close of the morning play, and managed to keep ahead, or even, with his opponent during the remainder of the day. The result of the match was a great surprise, as it was anticipated that Varon would win by a good margin. His driving, as usual, was phenomenal, but Nicholls was a trifle stronger on the short game, which, with the short course, gave him a slight advantage. Singularly enough, Varon's medal score was one better than Nicholls', yet he lost on match play.

You Need the Kind
That Has Given New Life to Others
Paine's Celery Compound
The Only Banisher of Disease.
Other Celery Preparations are Worthless Imitations.
"PAINE'S" HAS A LIFE SAVING RECORD THAT NO OTHER MEDICINE CAN EVER EQUAL.

The medicine that has cured your friends and neighbors—the wonderful medical prescription that has the approval of the ablest medical practitioners—is surely the kind that you stand in need of at the moment. Paine's Celery Compound is, today, the only agency under Heaven that can save you if you are suffering from rheumatism, neuralgia, liver complaint, kidney disease, dyspepsia, nervousness and the troubles that arise from poisoned and foul blood. It cures the sick as surely as night follows day.

The extended reputation that Paine's Celery Compound has won, has never been induced unscrupulous men to foist worthless imitations on the public. Many people are daily deceived by these miserable frauds.

If you have decided to use Paine's Celery Compound, see that the name "PAINE'S" is on every wrapper and bottle that you purchase. When you have secured the genuine "Paine's" you have the only medicine that can effectually banish your load of misery and suffering, and give you a new, vigorous happy life.

The British succession duties brought a revenue of nearly £70,000,000 in the last fiscal year.

A SUCCESSFUL INSTITUTION

Gratifying Reports of a Year's Work at the Protestant Orphans' Home.

The 25th annual meeting of the board of management of the Protestant Orphans' Home was held yesterday afternoon in the public library building. The president, Mrs. Morphy, presided over the meeting, which was attended by many ladies and gentlemen interested in this charitable work. Rev. C. C. Owen, rector of the Memorial Church, conducted the opening devotional services, and two hymns were sung by 30 of the home children. Mrs. Shuttleworth presented a very satisfactory secretary's report. During the year 80 children had been cared for. There were 24 boys and 14 girls in the home at the beginning of the year, and in the twelve months 20 boys and 22 girls were admitted; 20 boys and 13 girls were discharged, leaving 22 boys and 21 girls in the home on Oct. 1 last. There was not a single case of illness of a serious nature among the children, and no deaths occurred. Several much-needed conveniences were secured during the year. The bequests included \$300 from the estate of the late Wm. Turville, \$100 from the estate of the late P. McIlhenny, of Biddulph, and a balance of \$249.66 from the Wm. Robinson estate. The special work of the year was the furnishing of a room in the children's pavilion at Victoria Hospital, which was done by the individual efforts of the trustees.

The report of Mrs. Gregsten, treasurer, showed receipts of \$3,738.81, the principal items being: Dividends and interest from the endowment fund, \$394.74; government grant, \$330.06; city grant, \$350.00; city collections, \$329.94; payment of board, \$324.45; bequests, \$549.05. The expenses amounted to \$3,653.38, leaving a balance of \$85.43. The receipts of the endowment fund were \$1,576.64, and the expenses \$1,529.92, of which \$1,000 was paid on maintenance account. Five hundred dollars was invested in loan company stock.

Dr. H. A. Stevenson presented the report of the medical officer. Dr. Niven, who was absent. There had been very little sickness, none of a serious nature, in the home during the year.

The officers chosen were: Lady Patronesses—Mrs. J. H. Flock, Mrs. Barron, Mrs. Boomer. President—Mrs. Morphy.

Vice-Presidents—Mrs. George Robinson, Mrs. W. T. Edge, Mrs. Andrew Thompson, Mrs. Walter Hyman. Assistant Secretary—Miss A. Stevenson.

Treasurer—Mrs. Gregsten. Medical Officer—Dr. Niven. School Committee—Mrs. Becher, Mrs. Jeffery, Mrs. Robinson, Mrs. W. Hyman.

The board of trustees was re-elected, with the addition of Mrs. W. E. Saunders, Mrs. J. H. Carrie and Miss Stevenson.

The advisory board was also re-elected. Mrs. Shuttleworth declined to act as secretary, and a successor will be appointed at a meeting of the board to be held at an early date.

The executive committee will comprise the officers and Mrs. Thompson, Mrs. Fowler, Mrs. Edge, Mrs. Shuttleworth, Mrs. Jeffery and Mrs. Gentlemen.

Infants too young to take medicine may be cured of croup, whooping cough and colds by using Vapo-Cresolene—they breathe it.

The ribs of tobacco leaves are among the substances out of which paper is made.

NO ONE NEED FEAR CHOLERA or any summer complaint if they have a bottle of Dr. J. D. Kellogg's Dysentery Cordial ready for use. It corrects all the looseness of the bowels promptly and causes a healthy and vigorous condition.

This is a medicine adapted for the young and old, rich and poor, and is rapidly becoming the most popular medicine for cholera, dysentery, etc., in the market.

RADWAY'S PILLS

SECURE PERFECT DIGESTION

By their ANTI-BILIOUS properties they stimulate the liver to the secretion of the bile and its discharge through the biliary ducts. These Pills in doses of from two to four will quickly regulate the action of the liver and free the patient from these disorders. One of two at Radway's Pills taken daily by those subject to bilious pain and torpidity of the liver will keep the system regular and secure healthy digestion.

"I am 120 miles from the nearest drug store, and want you to send me a dozen boxes of your Pills. I have muscular rheumatism, and for nine months have been at Hot Springs. My liver and kidneys are affected. I find that your Pills do me more good than all the medicine I have taken and the Springs combined."

Respectfully, W. JAMES.
Harqua Hala, Yuma County, Arizona.

"Your Radway's Pills have worked wonderfully in my family. My children, when sick, have received instantaneous and complete relief by their use. Sudden colds, sore throat, and I can quickly cure by the use of your Ready Relief and Pills. They should not be wanting in any well-kept home. That doubly serves what helps you once. Yours truly, DR. H. E. SCHNEIDER."

"For years I have been troubled with rheumatism and dyspepsia, and came to the conclusion to try your Pills. I immediately found great relief from their use. I feel like a new man since I commenced taking them and would not now be without them. The drowsy, sleepy feeling I used to have has entirely disappeared. The dyspepsia has left me and my rheumatism is gone entirely. I am satisfied if any one so afflicted will give Radway's Pills a trial they will surely cure them, for I believe it all comes from the system being out of order—the liver not doing its work."

GEORGE SCALLY,
