

MINUS ITS TWO BEST PLAYERS, PARIS LOST TO THE ABERDEENS

First Half Was Pretty Much as
Londoners Wanted It.

Schedule of the Junior City
League To Be Repeated.

Sporting News.

The Paris hockey team, minus the services of its two best players, Brown and Munn, went down before the Aberdeens last night, by the score of 6 to 2 in a spectacularly fast game. The teams lined up as follows: Paris, Brown, Munn, Fraser, Stewart, Kempthorne, Kuhlman, Adams, and Dominey. Aberdeen, Fraser, Stewart, Kempthorne, Kuhlman, Adams, Dominey, and two substitutes. The game was a very close one, with the teams exchanging goals in the first half. The second half was a more one-sided affair, with the Aberdeens scoring four goals in the last twenty minutes of the game.

In the second half, there was no scoring done for 20 minutes, and this is accounted for by the brilliant work of Peebles in goal, and the wretched shooting of the Paris forwards, who time and again had chances to score, but seemed to think that if they hit the end of the rink that was all that was required of them. The spell was broken at last by Kempthorne, who got inside the Aberdeen defense and found the right spot. The two cover-points then played ping-pong for a while, and kept the crowd very much disinterested, until Montgomery broke the monotony and scored for the Aberdeens, this being the final tally of the game. "Duff" Adams showed that he can go down the side pretty nearly as fast as of old, but his shots were nearly all side-tracked. Harry Peel made his first appearance since being reinstated, and kept the game well in hand at all times, having several of the Aberdeens on the boards, mostly for tripping.

The teams lined up as follows:
Paris. Peebles.
Ledy. Goal. Fraser.
West. Cover. Stewart.
J. Laylor. Center. Kempthorne.
T. Laylor. Right. Kuhlman.
Dominey. Left. Adams.

TO BE REPEATED.
The first series of games in the Junior City League, having been completed a few days ago, the executive committee has met and decided to have the first schedule repeated. The first of the second series will be played at the Jubilee Rink on Monday evening, and three games are also to be played on Friday at the same rink. Fifteen games are to be played, and the championship will be decided upon the percentage of games won, as in the baseball leagues.

SHUTOUT FOR STRATHROY.
Delaware easily defeated Strathroy at Delaware on Thursday night in one of the most one-sided games of hockey ever witnessed there this season. Strathroy had no combination at all, but depended on the individual weight and size, while the Delaware team played well together, and were able to score whenever they desired. At half time the score was 4 to 0, and at full time 9 to 0 in favor of the home team.

GAMES WANTED.
The Jubilees will play any team outside of the City League—Bowman's hardware, Shamrocks, Ramblers, M. C. R. C. P. R., McCormicks, preferred. Address, E. Anderson, 374 Ley street.

COULD NOT BREAK TIE.
A fast and exciting game of hockey was played Thursday night in the Jubilee Rink between the M. C. R. C. and C. P. R. At the call of time the score stood 4 to 4. After twenty minutes extra play, neither side succeeded in scoring, and it was decided to play off the tie at a later date. The line up was as follows:

M. C. R.—Richardson, goal; Wilks, point; Sullivan, cover point; Tait, left; Anderson, center; Purdie, right; Moorehouse, rover.
C. P. R.—Houston, goal; Dibbs, point; Martin, cover point; Bird, left.

Get My Book If Sick

Don't Send a Penny

Don't send a penny. Just tell me what I can do. Let me take the risk. Let me prove up first what Dr. Shoop's Restorative can do. The Restorative will gain your friendship, your indorsement if you test it. And for a whole month you can test it without the slightest risk. I will tell you of a druggist near you who will furnish six bottles of

Dr. Shoop's Restorative
A Month on Trial.

I will absolutely stand all the cost if it fails. If you say, "It did not help me," that ends it as far as cost to you is concerned. Do you understand me? I will absolutely stand all the cost if it fails. I want you to know absolutely and without doubt this offer is made on honor. I have the prescription that cures. My only problem is to convince you that Dr. Shoop's Restorative will cure is an uncommon remedy. A common remedy could not stand a test like this. It would bankrupt the physician making the offer. And I am succeeding everywhere, and here is the secret of my success. I find invariably that where there was a weakness, the inside nerves were weak. When there was a lack of vitality, the vital nerves lacked power. Where weak or nervous centers were found, the nerves were weak. The thought of, but the vital organs were weak. The inside—the invisible nerves. This was a revelation. Then my real success began. Then I combined ingredients that would strengthen. I found invariably that where there was a weakness, the inside nerves were weak. It is known the world over now as Dr. Shoop's Restorative.

Thousands are accepting my offer, and only one in each forty writes me that my remedy failed. Just think of that. Out of 40,000,000 people, there are only 10,000 who do not get well. And the fortieth has nothing to pay. That is a record I am proud of. It is wrong to stay sick when a chance like this is open. You should tell others who are sick of my offer. Don't let a sick friend stay sick because he knows not of my offer. Tell him. Get my book for him. Do your duty. You may be sick yourself sometimes. Sick people need help. Send him my sympathy and aid. Tell me of some sick friend. Let me cure him. Then he will show to both of us his gratitude. Your reward will be his gratitude. Send for the book now. Do not delay.

Simply state which book you want, and address Dr. Shoop, Box 1, Racine, Wis.

BOXING.

LASTED THE LIMIT.

Chicago, Feb. 19. — "Abe" Attell, a California featherweight, won a decision over "Kid" Hermann in a six-round contest here last night. According to the conditions of the match Hermann agreed to retire if his opponent inside of six rounds or forfeit the purse. Attell had no trouble in lasting the limit, and in fact, had a shade the better of the fight from beginning to end.

CARTER WORSTED.
Milwaukee, Wis., Feb. 19. — George Gardner, of Lovell, defeated Kid Carter, of Brooklyn, in a six-round bout before the Milwaukee Boxing Club.

IMMENSE AMOUNTS WON BY BOTH ENGLISH AND AMERICAN HORSES

Some of the Nags Have Earned
Over \$200,000 for Owners—
Isinglass and Domino Lead.

America has not had a racehorse since the time of Sir Walter, which retired from the turf with a credit of \$100,000 or more placed in his winning account. However, a turf statistician has compiled a list of horses which have won in 1904 which have winning credits so large that several of them, with fair racing luck, are likely to pass the \$100,000 winning mark before the end of another season.

Of the eleven big winners given below, which seem sure starters again in 1904, all but Advance Guard and Gold Heels raced last year. The list follows:

Name.	Starts.	Amount won.
Africander	28	\$26,545
Major Dangerfield	38	23,545
Irish Lad	26	22,345
Advance Guard	19	17,458
Savable	16	17,278
Waterboy	11	16,510

Hermis	43	15,040
Gold Heels	41	14,755

The Picket	20	13,454
Shorthose	24	11,600

DOMINO THE AMERICAN LEADER.
Though a decade has elapsed since the dead Domino began his career on the turf, he is still the premier winning horse of America, and his marvellous record in the English Derby for years to come. But sixteen horses bred in America have won as much as \$100,000, and one of this number, the winner of the English Derby, and St. Leger, Iroquois, secured his huge earnings on foreign soil. A list of the stars and their turf records follows:

Name.	Starts.	Amount won.
Domino	25	\$206,300
Kingston	138	142,500
Sir Walter	32	124,835

England's great list of huge winners has been increased by three horses in the last four years. The Lad, Scepter and Rock Sand, winner of the Derby, St. Leger and Two Thousand Guineas in 1903, all being away up now as money winners on the turf. Scepter now ranks as the biggest money winner among males, having at last taken the record of the sensational La Fleche. A comparison of these tables shows America is still behind England in this respect, its array of winning horses totaling only 27 to England's 16. Gladiator and Rayon d'Or, in America's table, were French-bred horses, but earned the bulk of their winnings on English turf. On the other hand, but for winning the Grand Prix in France, Robert the Devil and Cremorne would not figure in this compilation of enormous money winners. The list follows:

Name.	Times started.	Amount won.
Isinglass	12	\$20,675

At the meeting of the growers for the Strathroy Canning Company, held here on Saturday, there was a good representation present. So far some 165 acres of corn, 165 of peas and 3 of beans have been contracted for. Mr. R. Dickerson is suffering from an attack of quinsy.

English tailors have the credit for being the first to offer organized resistance to industrial oppression, and hence were the pioneers of modern trade unionism. As early as 1721, in the days of the handicraft, there was a union of tailors in London numbering 15,000, and they went on strike for better conditions of employment, notwithstanding the acts of Parliament that outlawed such combinations, made a strike a criminal act and limited wages by law.

THE OPENING OF THE NEW EARLY ROOM OF St. John's Church on Sunday was largely attended by the scholars and parents. Appropriate services were conducted, and the rector, Rev. W. Cluff gave a most instructive talk. The church choir rendered fine music. The entertainment on Monday evening was most enjoyed and the new room was crowded. The rector acted as chairman and appreciated the splendid programme of music and speeches, after which refreshments were served.

The situation has been considerably improved by the local dealers each receiving a carload of hard coal. Several carloads of soft coal have also arrived from the manufacturing industries.

Mr. Percy Thompson, fresco painter, has been decorating the dining-room of
