#### MONTEREY FACING DISEASE AND FAMINE

## Destruction By Great Floods.

Mexico City, Aug. 80. - A conservative estimate of the damage wrought at Monterey by the flood places the dead at 1,400 and the property loss at \$12,000,000. The river has now gone down and the danger is over.

Up to the present time 650 bodies have been recovered. One entire quarter of the city of Monterey was de? stroyed, and 15,000 persons are homethe city is consequently without drinking water; neither is there light nor street car service, for the power plant impossible to resume the train service for a week, and as a result the city is threatened with a food famine.
