During the same period 176 had been discharged-35 males, 82 females and 59 children. There were 14 births, 7 deaths and 50 operations during that time. The number of patients in the hospital July 31 was 132. The receipts for the month were 2,235 82.

Those present were Mr. J. C. Judd, K.C. (chairman), S. Screaton, T. G. Turnbull, Geo. B. Harris and Superntendent Heard.

BUNYAN'S BIRTHPLACE. Judith, Countess of Huntingdon, the

niece of William the Conqueror, who founded the abbey which gave its name to the hamlet of Elstow gathered about its gates; Sir Humphrey Radcliffe, into whose hands the property passed at the dissolution of the monasteries; and the Hillesdon family, who afterwards built their mansion there, would be but names on a rarely-turned page of history; the church, with its separate tower and its peal of ancient bells, the old Guest House on the village green, the sturn of a cross recalling the fairs that were held there, would be no goal of pilgrimage but for a later name whose rank upon the roll of fame sheds back a light of interest upon all the details of its place and circumstance. Elstow gained its patent of nobility in 1628, through the birth of John Runyan, and the visitor comes to it in the memory of his early years. He stands in the door of the church tower to recall Bunyan as a ringer of the bells, and walks to the green to see an imaginary game of tip-cat, and enters the old Moot Hall to revive the memory of Bunyan's "unregenerate" dancing .- T. P.'s Weekly.
