"Two hours after the race I visited Johnson at his hotel on a matter of business. I found him in a state of nervous collapse, his whole body shaking like an aspen leaf blown by a breeze. He could not talk intelligently on the matter I was seeking to close up, and told me that he was in bad shape.

"He complained that Oldfield had crowded him several times during the race, and that he had three narrow escapes from crashing into the fence. He complained bitterly of the chances he had to take while battling with Barney on the turns, and seemed to think that Old-

"Oldfield stated to me that he did not try to foul Jack at any stage of the race, but did try to give him a few thrills to warn him of the dangers of race driving, so the champion would not want to race.

Both the principals are in avoidant to the race, but the champion would not want to race. warn him of the dangers of race driving, so the champion would not want to race again. [Associated Press.]

Philadelphia, Nov. 21.—Jack O'Brien, who was one of the catchers of the Athletic baseball team when it won the championship of the American Association in 1883, died yesterday in a hospital in this city, and will be buried from the Elks' home on Wednesday

The English youngster is counting upon beating Nelson at his own game. That is, he figures on wading right in from the tap of the gong, and handing the Battler all the punishment he is capable of taking. Not a few are doubtful as to whether the former champion can really maintain the pace in a fifteen-round bout against a hard man, and against a

#### Could Not Walk Ten Yards Without Resting.

WEAK HEART WAS THE CAUSE.

Mrs. Robinson Collette, Rogersville, N.B., writes: "I am now enjoying the best of health after having used your Milburn's Heart and Nerve Pills. I was troubled with a weak heart and was afraid to draw a long breath for the pain it would cause me. I could not sleep at night, and it was impossible for me to walk ten yards without resting myself. I cannot speak too highly of your Heart and Nerve Pills, for they are the greatest pill I have ever used and I can recommend them to all sufferers."

Thousands of people go about their daily work on the verge of death and yet do not know it.

Little attention is paid to the slight weakness of the heart for the simple reason that one thinks it will right itself, but there is where the mistake is made. It is only when a violent shock comes that the weakness of the heart becomes

On the first sign of any weakness of the heart or nerves, flagging energy or physical breakdown, the use of Milburn's Heart and Nerve Pills will soon produce a quick and permanent cure.

Here's a nifty arrangement for the yachtsman whose craft is not fitted with auxiliary motor. This motor attachment is attached to a sail-driven yacht when becalmed, to drive the yacht to her anchorage or temporary harbor. The detachable motor is a German idea, and is used by the subjects of the Kaiser. Canadian yachtsmen might find the attachment beneficial and valuable.

Paris, Nov. 21.—Battling Jim Johnson was knocked out in the 18th round last night by Sam MacVey, the American colored heavyweight fighter. The fight took place at Luna Park, the scene of so many recent battles. During the first tent rounds of the contest Johnson was on the defensive, and had MacVey guessing badily. Johnson's long left jab was a puzzle to the American. Then MacVey solved the mystery of the Johnson defence, and landed a number of hard left hooks. In the 17th round Johnson grew careless and dropped his hands, when MacVey put over a left to the jaw, followed by a hard right to the body. In the 18th MacVey put over a wallop that put the battler down and out.

Detroiter Told Recruit He Would See Him Going Back and He Will.

[Associated Press.]

Syracuse, N. Y., Nov. 21.—"I'm in great shape," wired Battling Nelson to Tommy Ryan today, in asking the retired middle-weight champion to be his chief second against Owen Moran in San Francisco next Saturday. Ryan declined, as he has charge of a club which holds bouts here next Monday night.

William Donovan and Tommy Atkins had a few words at Bennett Park this summer during a Detroit-Philadelphia series. Mr. Donovan was pitching on that particular afternoon, and he was much annoyed by constant remarks coming from somewhere

After an hour or so Mr. Donovan deetected the author of the remarks. It was Mr. Atkins. Mr. Donovan walked to the Athletics' bench and let loose these few words:

"I don't mind being kidded, but I don't like to have it come from a rank busher like you."
"Well, I'll be around to see them hang the G. A. R. badge on you," replied

Atkins.

"You will, will you? Let me tell you something, Atkins. I'll be pitching ball for Detroit when you are trying to make good in some minor league."

Tommy will probably pitch for Scranton, Pa., next season. Connie Mack has decreed that he must go to the minor league. chance again. Ask me.

#### RIVAL MANAGERS LOOK FOR VICTORY

Dave Tope of Tigers and George Griffith of Varsity Talk Up Strong.

WEIGHTS OF THE TEAMS

Some Opinions From Men in Touch With Affairs in Hamilton and Toronto.

DAVE TOPE.

DAVE TOPE,

Manager of the Tigers.

"I am more strongly' convinced than ever since seeing Saturday's game that Tigers will win the Canadian championship. We are going to have a hard game, but I fall to see where Varsity has anything on our team. They have all kinds of speed, I will admit, but if Kid Smith, Moore, Simpson and Burton are playing to form, they will show up as well, if not better, than the Varsity backs, and think that our wing line will more than hold its own. I think it all rests with our back division, and the way it is showing up in practice is very satisfactory, and I see no reason why any of the men behind our wing line should fall down on their own grounds. I think, like many others, that the Varsity team has a great deal more than it showed against T.A.A.C., but even allowing for that, I see no reason why we cannot win."

HARRY GRIFFITH,
Coach of the Varsity Team.

"Saturday's game against T.A.A.C., is no criterion of what we will do when we meet Tigers. We have many a good trick bottled up for the Tigers, and my advice to all my Hamilton friends is to keep their money in their pockets. I am taking Tigers' game against Argonauts as a criterion of how they will play against us. #### **Stealing Brains And Stealing Money**

Some people are honest in theory and dishonest in practice.

They steal brains where they might not steal money. "PROGRESSO" and "DUPLEX" Overcoats are the products of brains-of creative genius-of experience.

Yet there are those who are trying to steal the money value of these two "Progress Brand" Overcoats.

There are several imitations of both these Overcoats on the market-but, like all imitations, they lack the essential features that make the originals famous.

Do not countenance dishonesty—especially when it works to your disadvantage.

When you buy, get the genuine "PROGRESSO" or "DUPLEX" Overcoat, bearing this label.
