Final arrangements for the trip were completed last night by Manager Moe Lieberman. The task of starting a party of 25 on a trip like the present bne has its worries, and Moe was rushed off his feet yesterday. The only talvation for him is that he is bound for the scene of his school days, having graduated from Kingston Collegiate. The boys will not lack entertainment in their journey eastward, as a phonograph has been donated by a local company. Curly Gorman has been placed in charge as musical director, and has gathered a variety of records, ranging from the latest sypcopated melodies to the sextet from "Lucia."

the goals were scored in the second period.

The win was rather a lucky one, as a soft shot from Randall's stick, which Winkler pulled into the Edmonton net when it was a foot outside the post, decided the conflict in favor of the St. Patricks. But it was the greatest exhibition of hockey staged on Winnipes ice for many a year and abounded with thrills from gong to gong.

Toronto won because they, showed more finish than their more aggressive opponents, who carried the play into the St. Patrick's territory for the greater part of the game, but the uncanny goal-tending by Roach, the little mow vocalist for the Detroit News Toronto goalie, stopped attack after adio broadcasting station.
