CONVERSION LOAN IS VERY POPULAR

Thousands of Holders of Canadian Maturing Issue are Renewing.

Ottawa, Sept. 15.—The Finance Department reports an excellent response to its new conversion loans. Thousands of the holders of the maturing issue (to which there were in all about half a million subscribers originally) have been sending in their old bonds for conversion, and the staff of the department has been greatly increased temporarily to cope with the demands made upon it. Many of the present holders are anxious to increase their holdings in the new issue, but the Finance Department, under the conditions of the conversion loan, is not able to vary the announced terms. Meanwhile the new bonds are being received by the department from the engraver and forwarded as rapidly as possible. The work can be expedited by holders of the 1922 bonds, who desire to exchange, turning in their bonds to the banks at once.

The attractiveness of this bond issue as an investment is recognized by various financial institutions, which are giving standing orders to their bankers and brokers to pick up any of the maturing bonds which may be offered for sale by those who do not wish to convert them under the new loan.

Canadian securities are now in good demand in the money markets on both sides of the line, and the 5½ per cent. yield of this loan is considered very attractive for such a sound security.

TURKS CARRY OFF ALL GIRLS

Girls Attending American College Captured—Americans Loose Heavily.

London, Sept. 15—A semi-official Greek message from Athens says it is alleged the Turks carried off all the girls from the American Girls' College in Smyrna.

The statement says that the city's foreign trade suffered enormous losses from the fire, especially the branches or agencies of the big American tobacco houses such as the Cary Tobacco Company and the Standard Commercial Trading Company of New York, nearly all of whose stocks were destroyed.

The total property loss is estimated at 1,000,000,000 francs.

SWIM'S EXECUTION IS POSTPONED

Accident Prevents Hangman Holmes From Coming From Montreal.

St. John, N. B., Sept. 14—By order of Chief Justice H. A. McKeown, the execution of Benny Swim, convicted of the murder of Olive Swim-Trenholm and sentenced to be hanged to-morrow morning in Woodstock, N.B, was set over this afternoon to October 6, between the hours of 5 am. and 5p.m. The order was made on application of Hon. W. P. Jones, K.C, representing Sheriff Albion R. Foster, of Carleton County. Mr. Jones read a section of the criminal code which authorized the judge who passed sentence or any other judge of the same court to defer sentence from time to time, if for any reason he deemed it advisable.

First Engaged Arthur Ellis.

He read an affidavit sworn to by Sheriff Foster, who declared that he had first engaged Arthur Ellis, an [illegible] department of justice, but found afterwards that he had been discharged by the department. He then engaged J. M. Holmes who was recommended by the sheriff of Montreal, and to whom he had paid a retainer.

On Sept. 12 he received a telegram signed Serge, which was handed in at Montreal at 5.20 p.m., saying "accident prevent Mr. H. coming. Retainer being sent by mail."

Mr. Jones said that it could not be ascertained who this man Serge was.

Sheriff Foster declared that he was not physically fit to carry out the execution himself on account of a nervous condition caused by an automobile accident in which he figured some time ago when a car in which he was driving with his wife and others ran over a bank and turned over several times.

Dr. Griffith Makes Affidavit

In an affidavit Dr. Thomas W. Griffith, of Woodstock, deposed that he had examined Sheriff Foster and found him very nervous and unfitted to carry out the execution.

Mr. Thomas then read the affidavit by himself, attached to which were several telegrams and copies of telegrams which he read.

An effort was made to secure a man named Scott as executioner. He was referred to by the Montreal Sheriff but a telegram from Mrs. Scott conveyed the information that her husband was in British Columbia.

Mr. Jones read a telegram from the [illegible] condition would not permit his service for three weeks. He also read a wire from the sheriff of Montreal calling his attention to the section under which he could apply to the Chief Justice for a stay of execution.

Mr. Jones thereupon requested that the date of execution be postponed until October 6 and to this the judge agreed and issued an order to that effect.
