PIANOS. The Musical Opinion and Music Trade Review, published in London, Eng. April 1, 1887, under the heading CANADIAN MUSICAL EXHIBITS AT THE COLONIES EXHIBITION, has the following: Referring to Piano Forges of Messrs. Heintzman & Co., Dr. Stainer says as follows: "I much regret that, owing to the late period at which I was called upon to make a report, all the more important instruments exhibited by this firm had been sold and removed. But those remaining fully justified their high reputation. An Upright Grand, which I examined was in every respect a fine instrument; the touch was sympathetic and had a good repetition; the tone was full and rich. I also tried a specimen style No. 6, which was equally deserving of unqualified praise." SEND FOR ILLUSTRATED CATALOGUE. Warerooms, 117 King-St. West, Toronto. HEINTZMAN & CO.
