

\$15 VALUE for \$6.95

173 Grand Singing and Playing Machines Must Be Sold at Once

The biggest value that has ever been offered in the Talking Machine business, we don't care by whom, when or where. It's a First-Class, High Grade Instrument, speaks clearer than machines sold at twice the price, and plays and sings in a manner that will astonish you. It is particularly noted for its local, splendidly finished Mahogany Cabinet, real Talking Machine Motor, large size Copper Sound Box, handsome Branded Horn Support and very large, beautifully sounding Horn, 16 inches long, with new full facing Bell—A High Grade Instrument, inside and out, full \$15.00 value and guaranteed for 5 years.

As a guarantee of good faith, and to let you see it thoroughly, we'll send a free Record and let you have it for 10 days, absolutely sure that you won't buy anything equal to it in your town for less than twice the price, pay the Express Agent the balance, \$6.95, and express charges, and take it home. We'll guarantee you never took anything better in your line, at less than the price, that will give you and your family as much pleasure. Remember, you don't risk a cent. If the instrument is not up to your highest expectations you can just tell the Express Agent to pack it up and send it back to us. We'll pay the charges both ways and refund your dollar. But we know you won't return it. You'll hurry home, sit right down and write us a letter like some of the following we have been receiving: at right down and write us a letter like some of the following we have been receiving:

SEND ONLY \$1.00
You can call there and see it up, have a good look at it, examine it thoroughly. We'll send a free Record and let you have it for 10 days, absolutely sure that you won't buy anything equal to it in your town for less than twice the price, pay the Express Agent the balance, \$6.95, and express charges, and take it home. We'll guarantee you never took anything better in your line, at less than the price, that will give you and your family as much pleasure. Remember, you don't risk a cent. If the instrument is not up to your highest expectations you can just tell the Express Agent to pack it up and send it back to us. We'll pay the charges both ways and refund your dollar. But we know you won't return it. You'll hurry home, sit right down and write us a letter like some of the following we have been receiving:

Great Amusement for the Boys
I have heard of your \$15.00 value and guaranteed for 5 years. I would not trade for the \$15.00 one if I could.

Wouldn't Trade It
I would not trade for the \$15.00 one if I could.

His Duty is
I would not trade for the \$15.00 one if I could.

And this is not all. We offer \$1.00 Records for 40c.—50c. Records for 25c. and brand new Records at that. The only thing is, we haven't very many, but you can order as many of each as you like, and tell us what you prefer, and we'll send all we possibly can. You don't need to send more than a dollar no matter how large your order is. You can pay the balance whatever it is, at the Express Office. We haven't space enough to tell you why we are making this big slump in prices. We offer you a regular \$15.00 Phonograph for \$6.95, five days before we pay for it, and there are only 173. That's the long and the short of it. We don't think it necessary to tell you to write us at once, you know yourself how quick every best will be to jump at such a chance these long dull evenings. Be sure and tell us what Express Office you want us to ship the Quilt to if you're too far from Toronto to call at our store.
