

fondly cherish the hope that they may again be permitted to take him by the hand, and listen to his words of wisdom and affection.

The following Resolutions were unanimously passed at a late Convention of the Diocese of Western New York:—

Resolved.—That this Convention have heard, with sentiments of gratitude and joy which it would not disguise, and cannot adequately express, our Right Rev. Bishop's Report of the cordial and affectionate welcome which the Bishop's, Clergy, and Laity of the English Church have given to him and the Right Rev. Bishop of Michigan, expressing, as we are so well assured it does, the feeling of that venerable and ancient Church towards her daughter in the United States.

Resolved.—That this Diocese, as an integral portion of the American Church, acknowledges with gratitude her indebtedness under God to the Church of England for her first foundation, and a long continuance of nursing care and protection, and rejoices in the continued and increasing prosperity of that venerable Society through whose instrumentality in former days that great and holy work was effected.

Resolved.—That this Convention fully reciprocates the noble and fraternal sentiments expressed by the members of the Church of England towards this Church and towards our nation; and will welcome the day when those sentiments shall find a more free development and utterance in the solemn councils of the mother and daughter Church.

Resolved.—That this Convention recognizes with devout thankfulness the good Providence of God, which has conducted our revered Diocesan and his companions safely and happily in all their journeyings by sea and land; and offers its earnest prayers for their return in safety to their homes.

Resolved.—That a certified copy of these proceedings be immediately transmitted to the Right Reverend the Bishop of this Diocese by the Secretary of this Convention; with the respectful request that they be communicated by him, in the way that shall seem most proper, to the venerated and beloved Prelates and others, Clergy and Laity of the Church of England, to whom we are indebted in his person for such great and Christian kindness.
