

The greatest need of the Sunday School
to-day is trained teachers

NEW STANDARD TEACHER TRAINING COURSE

The first book in the series

has been adopted by the Sunday School Council, representing 30 different denominations in Canada and the United States, and the International Sunday School Association.

One of the best opportunities for studying the New Teacher Training Course is in the Older Classes of the Sunday School.

Many classes take one of the books of the Course and study it in the lesson period instead of the regular lessons. Thus, trained teachers are always available.
