

BAIN WAGON CO., Limited, **WOODSTOCK.**

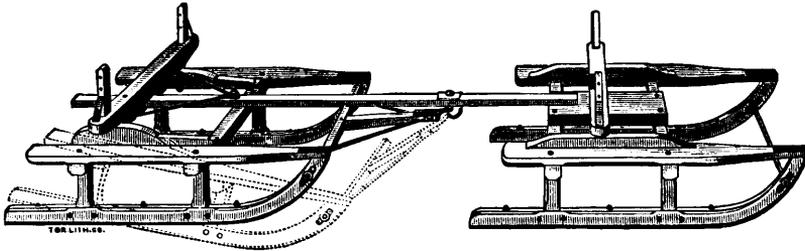

FARM AND FREIGHT WAGONS,

“MOSES” PLATFORM FARM TRUCKS,

LOG TRUCKS, SPRING LORRIES,

DUMP CARTS, ONE-HORSE WAGON.

BOB SLEIGHS—Two-Kneed Ontario, One Bench Manitoba.

Patented Jan. 13th 1888.

The Bain Improved Ontario Two-Kneed Sleigh.

Adapted for all kinds of farm work, and only furnished in one size of Runners, 2 inches wide, faced with Steel Shoes.

These Sleighs are **UNIVERSALLY ACKNOWLEDGED TO BE THE BEST.**

With our Improved Coupling the Sleigh can be backed up the same as a Wagon, which is a great advantage.

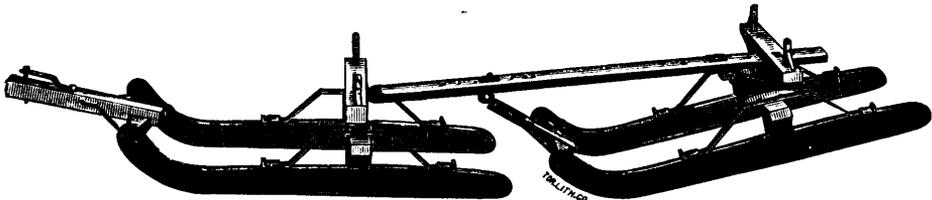

With our Swivel in coupling it will allow either Bob to turn up on its side without any danger of twisting the Reach or breaking it.

With our Coupling the Sleigh can be turned around in its own length.

It is made of the best material, wood being thoroughly seasoned. It is strongly ironed, and Runners faced with two-inch Steel Shoes. It is well finished, nicely painted, striped and varnished.

The Bain Improved One-Beam Sleigh.

FOR GENERAL USE IN MANITOBA, NORTH-WEST TERRITORIES; ALSO IN NORTHERN AND EASTERN PARTS OF ONTARIO.

Patented Jan. 13th, 1888.

We furnish these in three sizes of Runners, 2, 2½ and 3 inch.

Our One-Beam Sleigh, with 3-inch Runners, is specially adapted for heavy work in the bush and for heavy teaming of all kinds, while the 2-inch Runner Sleigh makes a splendid general purpose Sleigh on the Farm. Every Sleigh is fully Warranted.

WE FURNISH LOG BUNKS INSTEAD OF BOLSTERS WHEN REQUIRED.

Sold by the **MASSEY-HARRIS** Agents Everywhere.
