THIS institution is endowed and maintained by the Society of Friends, but is open to young people of both sexes of all denominations. It aims to give a first-rate education at the lowest possible cost. Its curriculum and studies are precisely the same as in High Schools and Collegiate Institutes, but parents who desire that their sons and daughters while at school away from home should have some reasonable discipline, will find in Pickering College that care and attention given to students out of school hours which they desire. The aim of the management is thoroughness of instruction equal to that of the best Government institutions, and judicious supervision of conduct. The College possesses a reading-room well supplied with the best current news and literature, comfortable recitation and study rooms, ample appliances for teaching, especially in the Scientific Department; gymnasiums, play grounds, etc., and a very active Literary Society. In the Commercial form students are thoroughly taught those subjects which are necessary for business. There are Preparatory Forms for junior students. In the other Forms especial attention is given to preparing students for the Intermediate and University examinations. Students desiring to take optional courses may do so. The management hope to maintain a good moral tone in the school. Bible classes are held every Sunday afternoon. On Sunday evenings lectures on character and conduct are delivered by the Principal. During the winter a course of lectures by leading educationists and others will be given. Fees per annum, including all necessary expenses, \$150 and \$160.
