### Scientific and Useful.

**FRIED TOMATOES.**—Cut a very large tomato in half and flour the cut side; heat the pan and lay the slices in, floured side down. When brown turn over, and when quite done, dish up and pour over a teacup of hot cream or milk.

**BLANCHED TOMATOES.**—Well butter a platter, put in a layer of sliced tomato, then a layer of any kind of cold meat (sliced very thin or minced), then a layer of thin bread and butter, and so on, till the dish is full. Season the whole well and bake till quite brown.

**BAKED TOMATOES.**—Take large tomatoes, wash them, wipe and cut them in two. Put them in a baking tin with the face downward, season well with pepper and salt and place in a hot oven. When done, put a piece of butter on each tomato, and serve on a hot dish with or without sharp sauce.

MADOC, Ont., Feb. 16, 1880.  
HORACE SEYMOUR writes: "Perry Davis' Pain-Killer as a family cure-all has been in constant use in my household for a long term of years, and I would never procure a better one. It never fails me. I call it the "Old Reliable."

**SCALLOPED TOMATOES.**—Put into an earthen dish a layer of bread or biscuit crumbs and small lumps of butter, then a layer of sliced tomatoes, with a sprinkling of sugar over them, go on so till the dish is full; pour in a little water to moisten, cover with crumbs, and bake half-an-hour.

**STEWED TOMATOES.**—Put ripe tomatoes into hot water, and when scalded take off the skins; throw them into an earthen pipkin, cut in slices, and stew gently till tender. Season with butter, pepper and salt, and serve with sippets of toast. In some parts of America breadcrumbs and sugar are added to the stew instead of other seasoning.

**MADRAS CURRY.**—Take two large onions, shred them and put them into a stew-pan with a bit of butter; brown them well; then add the curry powder, a little salt, a piece of coconut, grated, and a quart of rich milk or cream. Put the lid on the pan and let it stew a quarter of an hour.

**HIGHEST PRAISE.**—The well-known drug firm of N. C. Polson & Co., of Kingston, writes that Dr. Fowler's Extract of Wild Strawberry has long been considered the best remedy for Summer Complaints in the market, and adds that their customers speak in the highest terms of its merits. Wild Strawberry is the best known remedy for Cholera Morbus, Dysentery, and all Bowel Complaints.

**APPLE JELLY.**—Cut the apples in small pieces without paring and stew till soft, using more water than for apple sauce. Strain through a hair sieve, then through a jelly bag twice. To a pint of juice put three-fourths of a pound of sugar—one pound to a pint makes it too sweet—and boil until the right thickness is obtained. The addition of lemon makes it much nicer.

**HOW TO COOK POTATOES.**—Don't peel your potatoes and throw away the best part of them, but prepare them nicely "with their coats on," steam them until done; remove their skins with a knife and fork; place in a tureen or platter; spread butter on them quite freely; sprinkle with salt and pepper; set in the oven one moment to melt the butter; then pour over them a liberal quantity of sweet cream; serve immediately.

THE housekeeper who has not used JAMES PYLE'S PEARLINE should not wait a day longer without having it in the house. As an article to make washing easy, without injury to the finest fabric, it is unequalled.

**FISH PUDDING.**—Boil three pounds of any sort of boiled fish with two cups of milk, a large piece of butter and a tablespoonful of flour, mixed smoothly with two tablespoonfuls of cold milk. When done, let it cool and add to it the yolks of seven eggs and the beaten whites, mix thoroughly, adding salt, pepper and nutmeg to taste. Put it in a buttered dish and bake one hour in a good oven. Serve with a caper sauce.

**SWEET APPLES BOILED.**—Prepare one dozen sweet apples the same as to bake; place in a kettle and sprinkle one large spoonful of sugar over them; pour on enough water to cover, and cover close and boil until a fork will go through them easy; take them out carefully with a fork, drain well, and place on a plate; leave your kettle over the fire and boil your juice down to a thick syrup and pour over the apples. Best cold.

**Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES.**  
Most Beneficial in Bronchitis.

Dr. J. P. Norris, Harmon Mills, N.C., says: "I used Scott's Emulsion in a case of Bronchitis of six months' standing, and the patient was well in ten days. I was much surprised at its healing and strengthening powers."

## YOU HAVE

BRIGHT'S DISEASE OF THE KIDNEYS.

The above symptoms are not developed in any order, but appear, disappear and reappear until the disease gradually gets a firm grasp on the constitution. The kidney-poisoned blood breaks down the nervous system, and finally pneumonia, diarrhoea, blood-poison, heart disease, apoplexy, paralysis, or convulsions ensue and then death is inevitable. This fearful disease is not a rare one—it is an every-day disorder, and claims more victims than any other complaint.

It must be treated in time or it will gain the mastery. Don't neglect it. Warner's KIDNEY CURE has cured thousands of cases of the worst type, and it will cure you if you will use it promptly and as directed. It is the specific for the universal
